LATE ITEMS

Item Number: L.1 File Number: D20/17462

SUBJECT HEADING: DEVELOPMENT PERMIT FOR A MATERIAL CHANGE OF

**USE "DWELLING HOUSE" (DOMESTIC OUTBUILDING)** 

**Location:** 30 William Street, Roma (Lot 1 on RP4415)

Officer's Title: Lead Town Planner

### **Executive Summary:**

Barry S Reid has submitted a development application seeking approval for a Material Change of Use for a "Dwelling house" (domestic outbuilding) at 30 William Street, Roma, being Lot 1 on RP4415 (the subject premises).

The development application is subject to impact assessment and must be assessed against the assessment benchmarks (to the extent relevant) provided by Section 45 of the Planning Act 2016 and any relevant matters prescribed by regulation. The Development Assessment Rules set out the procedural requirements for the development assessment process.

Public notification about the application was carried out in accordance with Part 4 of the Development Assessment Rules and for a period of no less than 15 business days between 4 February 2020 and 25 February 2020. There were three (3) properly made submissions objecting to the proposal received during this period. Matters raised in the submissions have been fully considered by Council's assessing officers, and where appropriate, conditions of development approval have been recommended to overcome potential impacts on the submitters as a result of the development.

The procedural requirements set out by the Development Assessment Rules to enable Council to make a decision on this application have been fulfilled. The development application is generally consistent with the assessment benchmarks provided by the Planning Act 2016, or can otherwise be conditioned to achieve compliance. As part of the assessment of the application Council assessing officers have also identified a number of relevant matters that support the approval of the application, including that the proposed domestic outbuilding will be co-located and ancillary to an existing residential dwelling located at the subject premises.

#### Moved Cr O'Neil

That the following matter lay on the table for further consideration at a later point during the meeting.

#### NO VOTE TAKEN

No vote was taken on the draft motion at that time, and Cr. O'Neil subsequently withdrew the procedural motion to give Cr. Newman an opportunity to ask a question of the reporting officer.

Further discussion ensued on the matter, and again Cr. O'Neil put forward the following procedural motion to allow for further discussion and investigation to be undertaken with parties interested in this application.

#### Resolution No. GM/03.2020/11

**Moved Cr O'Neil** 

That the matter lay on the table for further consideration at the next General Meeting on 18 March 2020.

Cr. O'Neil left the Chamber at 10.50am, and returned at 10.59am.

# **COUNCIL ADJOURNED THE MEETING**FOR MORNING TEA AT 11.04AM

SUBJECT HEADING: RESUMPTION OF STANDING ORDERS
COUNCIL RESUMED THE MEETING IN CLOSED SESSION AT 11.41AM

Mayor Golder declared a 'Conflict of Interest' in relation to Item C.2 – Request for In Kind assistance for the 2020 Watpac Mystery Charity Ball. This was due to potential discussion being undertaken in relation to the use and availability of the portable toilets at Bassett Park. The Roma Historical Precincts Inc. had been approved use of the portable toilet block earlier during the meeting (Item 13.5). This is a time period in close proximity to the request under consideration for item C.2. Mayor Golder is a former President of the Roma Historical Precincts Inc.

Mayor Golder left the Chamber at 11.52am taking no part in discussion relating to this matter.

The Deputy Mayor took the role of Acting Chair in the Mayor's absence.

At cessation of discussion on the abovementioned item, Mayor Golder returned to the Chamber at 11.54am assuming the Chair.

Seconded Cr Chambers

That Council open the meeting at 12.07pm.

CARRIED 9/0

Earlier during the meeting Cr. O'Neil had brought to Council's attention that he was unsure as to whether a potential 'Conflict of Interest' needed to be declared by him in regard to Item C.10 – Roma Saleyards Prime Sales, due to an attachment to that report being a publication issued by MLA, an organisation that Cr. O'Neil's wife is employed by.

The matter had been laid on the table at that time to allow additional time for consideration to be given as to the relevance of the attachment.

Council considered the following approach:

#### General Meeting - 18 March 2020

Maranoa Regional Council's Procurement Policy outlines the key principles and framework for procurement and contracting activities.

# **Review of Procurement Policy:**

It is proposed that minor changes be made to the Procurement Policy to align with the *Local Government Regulation 2012* and reference relevant Workplace Safety legislation.

# Suggested Amendments:

A copy of the proposed Procurement Policy is attached for Council's consideration. Extracts of the Procurement Policy are listed below (yellow highlighter below denotes suggested amendments):

 The definition for Large-Value Contractual Arrangement has been updated to reference the definition in the *Local Government Regulation 2012* which includes a contract with a term of more than one financial year.

Large-Value
Contractual
Arrangement

is a contractual arrangement with a supplier that is expected to be worth, exclusive of GST, \$200,000 or more in a financial year, or over the proposed term of the contractual arrangement.

Note: The expected value of a contractual arrangement with a supplier for a financial year, or over the proposed term of the contractual arrangement, is the total expected value of all Council's contracts with the supplier for goods and services of a similar type under the arrangement – rather than an individual transaction.

2. The definition for Medium-Value Contractual Arrangement has been updated to reference the definition in the *Local Government Regulation 2012* which includes a contract with a term of more than one financial year.

is a contractual arrangement with a supplier that is expected to be worth, exclusive of GST, \$15,000 or more but less than \$200,000 in a financial year or over the proposed term of the contractual arrangement.

Note: The expected value of a contractual arrangement with a supplier for a financial year, or over the proposed term of the contractual arrangement, is the total expected value of all Council's contracts, with the supplier for goods and services of a similar type under the arrangement — rather than an individual transaction.

3. Procurement Principle 4 Environmental Protection (Local Government Act 2009, s. 104(3)) and Workplace Safety has been updated to include reference to work health and safety legislation.

Council will seek to complement its broader environmental and safety commitments and initiatives through its Procurement and Contracting Activities.

Whilst conducting Procurement and Contracting Activities, Council will:

#### General Meeting - 18 March 2020

- i. promote the purchase of environmentally friendly and safe goods and services that satisfy the value for money criteria; and
- ii. foster the development of products and processes of low environmental impact.;
- iii. consider the safety record of prospective Suppliers and their ongoing commitment to a safe workplace in meeting the requirements of the following:
  - (a) Work Health and safety Act 2011
  - (b) Work Health and Safety Regulation 2011
  - (c) Work Health and Safety (Codes of Practice) Notice 2011.
- 4. Update wording to be consistent with *Local Government Regulation 2012* (can not rather than will not) and include reference to *LGR 2012 s 228* (Tender process for large-sized contractual arrangements:

# Medium-Sized Contractual Arrangements \$15,000 to \$200,000 (GST exclusive) LGR 2012, s. 225.

All land (regardless of value), plant and equipment - \$5,000, or any other non-current valuable asset - \$10,000

Council can not enter into a Contract for the disposal of a Valuable Non-Current Asset without first:

- (a) inviting written tenders; or
- (b) inviting expressions of interest (EOI) before considering whether to invite written tenders; or
- (c) offering the Valuable Non-Current Asset for sale by auction.

#### General Meeting - 18 March 2020

5. Updated so that all panel members will be invited to quote via vendor panel if the contract will exceed the estimated value of \$3,000 (GST exclusive):

# Low-Value Contractual Arrangements

Worth less than \$15,000 (GST exclusive)

Council has implemented an appropriate and effective internal procurement process, having appropriate regard to the procurement principles, for contractual arrangements worth less than the \$15,000 (GST exclusive) threshold:

- (a) One verbal quote for goods/services valued at less than \$100 (GST exclusive)
- (b) At least one written quote for goods/services valued between \$100 and \$1000 (GST exclusive)
- (c) Inviting at least three written quotes for goods/services valued between \$1,000 and \$15,000 (GST exclusive).

Exceptions exist for the use of pre-qualified suppliers or the My Maranoa Business Local Purchasing Card.

# My Maranoa Business Local Purchasing Card

Delegated staff may use the *My Maranoa Business* Local Purchasing Card to acquire goods/services valued at less than \$500 (GST exclusive) per transaction. Eligible businesses are listed on the back of each card. A written quote is not required.

# **Pre-Qualified Supplier Panels**

The following thresholds apply to contractual arrangements that are formed through Council's Registers of Pre-Qualified Suppliers:

- (a) **Trades & Associated Services** minimum of one written quote (from a panel supplier) for goods/services valued at less than \$3,000 (GST exclusive). If the contract will exceed the estimated value of \$3,000 (GST exclusive), all panel members will be invited to quote via Vendor Panel.
- (b) Wet & Dry Hire of Equipment minimum of one written quote (from a panel supplier) for an engagement period of less than 50 hours (5 days' work). If the engagement will exceed 50 hours (or 5 days' work), all panel members will be invited to quote via Vendor Panel.
- (c) Other Registers minimum of one written quote (from a panel supplier) for goods/services valued at less than \$3,000 (GST exclusive). If the contract will exceed the estimated value of \$3,000 (GST exclusive), all panel members will be invited to quote via Vendor Panel.

#### General Meeting - 18 March 2020

# **Approved Contractor List**

LGR 2012, s. 231

[Two Step Process – Expressions of Interest to establish an approved contractor list, then for each contract, a decision on who will be invited to provide a price]

An approved contractor list is a list of persons who Council considers to be appropriately qualified to provide the services (including professionals).

Council must put together the approved contractor list by inviting **expressions of interest** advertised in the local newspaper giving suitably qualified persons at least 21 days to respond and making a selection having regard to sound contracting principles.

For each project, and having regard to the sound contracting principles, Council may place a purchase order directly with a supplier on a register of pre-qualified suppliers without first inviting quotes from other persons on the register of pre-qualified suppliers.

A minimum of one written quote (from a panel supplier) for goods/services valued at less than \$3,000 (GST exclusive). If the contract will exceed the estimated value of \$3,000 (GST exclusive), all panel members will be invited to quote via Vendor Panel.

# Register of Pre-Qualified Suppliers (RPQS)

LGR 2012, s. 232.

[Capability Established by Tender]

Council may establish a register of pre-qualified suppliers of particular goods or services only if—

- (a) the preparation and evaluation of invitations every time the goods or services are needed would be costly; or
- (b) the capability or financial capacity of the supplier of the goods or services is critical; or
- (c) the supply of the goods or services involves significant
- (d) security considerations; or
- (e) a precondition of an offer to contract for the goods or
- (f) services is compliance with particular standards or
- (g) conditions set by the local government; or
- (h) the ability of local business to supply the goods or services needs to be discovered or developed.

A pre-qualified supplier is a supplier who has been assessed by Council as having the technical, financial and managerial capability necessary to perform contracts on time and in accordance with agreed requirements.

Council must invite tenders to be on a RPQS, advertised in the local newspaper for at least 21 days and make a selection having regard to sound contracting principles.

For each project, and having regard to the sound contracting principles, Council may place a purchase order directly with a supplier on a register of pre-qualified suppliers without first inviting quotes from other persons on the register of pre-qualified suppliers.

#### General Meeting - 18 March 2020

A minimum of one written quote (from a panel supplier) for goods/services valued at less than \$3,000 (GST exclusive). If the contract will exceed the estimated value of \$3,000 (GST exclusive), all panel members will be invited to quote via Vendor Panel.

Maranoa Regional Council - Procurement Policy (Draft D20/19220 Version - March 2020)

# Report authorised by:

Chief Executive Officer

#### 1. Purpose and Objective

The purpose of the Maranoa Regional Council's (Council) Procurement Policy is to set down key principles and outline Council's framework for conducting Procurement and Contracting Activities in a manner that complies with the applicable laws, including *Local Government Act 2009* (QLD) (LGA 2009) and *Local Government Regulations 2012* (QLD) (LGR 2012).

Council's procurement activities aim to deliver excellence in procurement outcomes for Council and the community by:

- promoting value for money with probity and accountability; and
- providing reasonable opportunity for competitive local businesses that comply with relevant legislation to supply to Council; and
- facilitating the procurement of goods and services in the most timely and cost effective manner; and
- ensuring that all procurement activities are carried out in a professional manner and that all Council officers responsible for purchasing goods and services are adequately trained and have a clear understanding of the procurement processes, as well as their meaning and intent.

# 2. Scope

This policy and associated documents apply to the procurement of all goods, equipment, and related services, building and civil construction contracts and services contracts (including maintenance) and the disposal of assets by Council as defined in the LGA 2009 and LGR 2012.

#### 3. Definitions

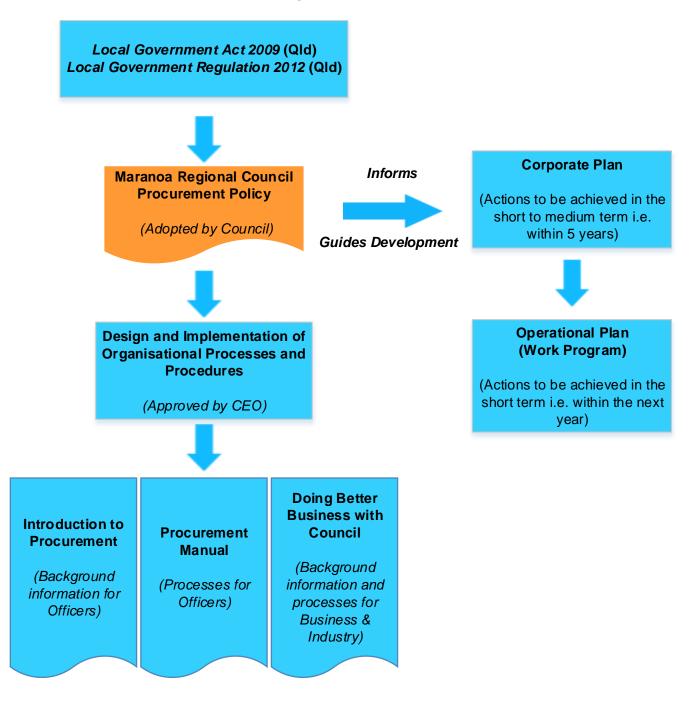

Contract	means a contract (including purchase order and purchase card transactions) for:  (a) the supply of goods or services; or  (b) the carrying out of work; or  (c) the disposal of valuable non-current assets. In this instance, the term does not include a contract of employment between Council and a Local Government Employee.
Genuine Emergency	<ul> <li>includes:</li> <li>(a) any time that the Local Disaster Coordinator is performing a function under the <i>Disaster Management Act 2003; or</i></li> <li>(b) any time an event occurs resulting in actual or likely loss of life or serious injury to person/s and where action from Council may prevent or reduce the actual or likely loss of life or serious injury to person/s, or aid and assist in response to the event; or</li> <li>(c) any time an event occurs resulting in actual or likely serious damage to property and where action from Council may prevent or reduce the actual or likely serious damage, or aid and assist in response to the event.</li> </ul>

Large-Value Contractual Arrangement	is a contractual arrangement with a supplier that is <b>expected</b> to be worth, exclusive of GST, \$200,000 or more in a financial year, or over the proposed term of the contractual arrangement.  Note: The expected value of a contractual arrangement with a supplier for a financial year, or over the proposed term of the contractual arrangement, is the <b>total expected value</b> of all Council's contracts <b>with the supplier for goods and services of a similar type</b> under the arrangement – rather than an individual transaction.
LGA Arrangement	means an arrangement that has been entered into by LGAQ Ltd or Local Buy Pty Ltd and would otherwise be either a contract with an independent supplier under s232 of the LGR 2012 or a contract with an independent supplier under a preferred supplier arrangement under s233 of the LGR 2012.
Medium- Value Contractual Arrangement	is a contractual arrangement with a supplier that is <b>expected</b> to be worth, exclusive of GST, \$15,000 or more but less than \$200,000 in a financial year .
(LGR 2012 S224)	Note: The expected value of a contractual arrangement with a supplier for a financial year, or over the proposed term of the contractual arrangement, is the <b>total expected value</b> of all Council's contracts, <b>with the supplier for goods and services of a similar type</b> under the arrangement – rather than an individual transaction.
Probity	is the evidence of ethical behaviour in a particular process.
Procurement	is the entire process by which all classes of resources (human, material, facilities and services) are obtained. This can include the functions of planning, design, standards determination, specification writing, selection of suppliers, financing, contract administration, disposals and other related functions.
Purchasing	is the acquisition process for goods, services and capital projects through purchasing, leasing and licensing.
Supplier	means an enterprise capable of supplying required goods and/or services. It includes manufacturers, stockists, resellers, merchants, distributors, consultants and contractors.
Valuable Non- Current Asset	means land or another non-current asset that has a value equal to or more than the limit set by Council. The limit set by Council cannot be more than \$5,000 for plant and equipment; and \$10,000 for other non-current assets.

#### 4. Details

## 4.1 Key Document Relationships

The Procurement Policy has the following relationships to other key strategic and administrative Financial Management documents:

## 4.2 Procurement Principles

Council will conduct its Procurement and Contracting Activities in a manner that ensures its financial sustainability by establishing a procurement management system based on the following "sound contracting principles":

## **4.2.1** Value for Money (Local Government Act 2009, s. 104(3))

#### **PRINCIPLE 1:**

"We drive value for money in our procurement of goods and services including construction contracts"

The concept of value for money is not restricted to the price of the goods, services or works. Council will consider a number of factors when assessing value for money including but not limited to:

- i. Availability including lead-times for current and future supply;
- ii. **Fitness for purpose** whether the good/service will 'do the job' and meet the quality/standard required;
- iii. **Whole of life costs** costs of acquiring, using, maintaining (spare-parts, accessories etc. if applicable) and disposing of the item;
- iv. Service standards after-sales support, service frequency required;
- v. **Sustainability** ability to ensure continuity of supply.
- vi. **Benefits of engaging local suppliers** reduced transportation costs and lead times, and improved service responsiveness.
- vii. **Risks** if the good or service exposes Council or the community to potential financial, operational, safety, legal, contractual or other issues;
- viii. **Administration costs** the Council resources associated with acquisition or management of the ongoing supply of the good or service;
- ix. Advancement of Council priorities if the good or service assists in achieving or addressing multiple Council goals, or remedying important issues identified by Council.

## **4.2.2** Open and Effective Competition (Local Government Act 2009, s. 104(3))

#### PRINCIPLE 2:

"We use organisational [procurement] process and work together as 'one Council', across Directorate and Department boundaries, to achieve savings and benefits through open and effective competition"

All Procurement and Contracting Activities will be conducted by Council using an open and competitive process. Open and effective competition will be achieved by ensuring that:

- i. procurement procedures and processes are transparent and minimise subjectivity;
- ii. prospective suppliers are given fair and equitable consideration; and
- iii. evaluation of offers is undertaken in accordance with legislation, procedures and evaluation criteria applicable to the quote or tender document.
- **4.2.3** Development of Competitive Local Business and Industry (Local Government Act 2009, s. 104(3))

#### **PRINCIPLE 3:**

"We seek and implement identified opportunities to achieve 'more with less' through the development of competitive local business and industry, innovative service delivery and enhanced capability and performance"

Council encourages the development of competitive local businesses within the Maranoa Region, and will endeavour to promote and support competitive local industry in its Procurement and Contracting Activities.

When price, performance, quality and suitability and other evaluation criteria are comparable, Council may also consider the following factors when conducting its Procurement and Contracting Activities:

- creation of local employment opportunities;
- ii. economic growth within the local area; and
- iii. readily available servicing support.

## **4.2.4 Environmental Protection** (Local Government Act 2009, s. 104(3)) and Workplace Safety

#### PRINCIPLE 4:

"We use organisational [procurement] processes to advance Council's environmental and safety objectives and support long-term wellbeing of our employees and community"

Council will seek to complement its broader environmental and safety commitments and initiatives through its Procurement and Contracting Activities.

Whilst conducting Procurement and Contracting Activities, Council will:

- i. promote the purchase of environmentally friendly and safe goods and services that satisfy the value for money criteria; and
- ii. foster the development of products and processes of low environmental impact.; and
- iii. consider the safety record of prospective Suppliers and their ongoing commitment to a safe workplace in meeting the requirements of the following:
  - (a) Work Health and safety Act 2011
  - (b) Work Health and Safety Regulation 2011
  - (c) Work Health and Safety (Codes of Practice) Notice 2011.

## **4.2.5 Ethical Behaviour and Fair Dealing** ((Local Government Act 2009, s. 104(3))

## **PRINCIPLE 5:**

"We build the confidence of stakeholders and the community in Council's [procurement] management through integrity, accountability, ethical behaviour and fair dealing"

Council will conduct its Procurement and Contracting Activities with impartiality, fairness, independence, openness, and integrity to ensure probity, transparency and accountability for its procurement outcomes. Council will promote ethical and fair dealing by:

i. ensuring legislative and policy compliance in Procurement and Contracting Activities;

- ii. ensuring compliance with Employee and Councillor Codes of Conduct and the *Public Sector Ethics Act 1994*;
- iii. creating and maintaining a robust and effective procurement process that operates in a fair and ethical environment; and
- iv. identifying and managing possible, real or perceived conflicts of interest between Council, its Local Government Employees and prospective or existing Suppliers.

## 4.3 Responsibility

This policy applies to all Local Government Employees or elected members of Council, who undertake any part of the Procurement and Contracting Activities on behalf of Council. It is the responsibility of the Local Government Employee or elected member of Council to understand the meaning and intent of this policy.

## 4.3.1 Limitation on Non-Council Employees involved in Procurement Activities

Persons engaged in contracts for services with Council, such as consultants and project managers are not authorised to initiate any procurement process, or contract on behalf of Council.

However, persons engaged by Council on Service Contracts or Consultancy Agreements, or particular external subject matter experts, may be invited to form part of evaluation panels and provide advice and expertise during the procurement process - they cannot initiate or undertake any activity that binds Council in contract.

## 4.4 Entering into Contracts - Procurement and Contracting Activities

## 4.4.1 Application to Council Contracting

Council adopts the contracting procedures contained in Chapter 6, Part 3 of the LGR 2012. Unless one of the exceptions outlined in 4.5 applies, Council will conduct its Procurement and Contracting Activities, having regard to the procurement principles (Section 4.2), in the following manner:

Contract Type	Legislative Requirement / Commentary			
Arrangements Worth less than \$15,000 (GST exclusive)	Council has implemented an appropriate and effective internal procurement process, having appropriate regard to the procurement principles, for contractual arrangements worth less than the \$15,000 (GST exclusive) threshold:			
	<ul> <li>(a) One verbal quote for goods/services valued at less than \$100 (GST exclusive)</li> <li>(b) At least one written quote for goods/services valued between \$100 and \$1000 (GST exclusive)</li> <li>(c) Inviting at least three written quotes for goods/services valued between \$1,000 and \$15,000 (GST exclusive).</li> </ul>			
	Exceptions exist for the use of pre-qualified suppliers or the My Maranoa Business Local Purchasing Card.			

Contract Type	Legislative Requirement / Commentary
	My Maranoa Business Local Purchasing Card Delegated staff may use the My Maranoa Business Local Purchasing Card to acquire goods/services valued at less than \$500 (GST exclusive) per transaction. Eligible businesses are listed on the back of each card. A written quote is not required.
	Pre-Qualified Supplier Panels The following thresholds apply to contractual arrangements that are formed through Council's Registers of Pre-Qualified Suppliers:
	(a) Trades & Associated Services – minimum of one written quote (from a panel supplier) for goods/services valued at less than \$3,000 (GST exclusive). If the contract will exceed the estimated value of \$3,000 (GST exclusive), all panel members will be invited to quote via Vendor Panel.
	(b) Wet & Dry Hire of Equipment – minimum of one written quote (from a panel supplier) for an engagement period of less than 50 hours (5 days' work). If the engagement will exceed 50 hours (or 5 days' work), all panel members will be invited to quote via Vendor Panel.
	(c) Other Registers – minimum of one written quote (from a panel supplier) for goods/services valued at less than \$3,000 (GST exclusive). If the contract will exceed the estimated value of \$3,000 (GST exclusive), all panel members will be invited to quote via Vendor Panel.
Medium-Sized Contractual Arrangements \$15,000 to \$200,000 (GST)	Council can not enter into a medium-sized contractual arrangement, without first inviting written quotes for the Contract from at least 3 persons the Council considers can meet the Council's requirements at competitive prices.
exclusive) LGR 2012, s. 225.	Council may decide not to accept any of the quotes it receives.
	Council may decide to invite written tenders for medium sized contractual arrangements if the contract is high risk or complex in nature.
	Council will accept the quote most advantageous to it having regard to the sound contracting principles.
Large-Sized Contractual Arrangements	Council can not enter into a large-sized contractual arrangement without first:
\$200,000 + (GST exclusive) LGR 2012, s. 226.	(a) inviting written tenders; or

(b) inviting expressions of interest (EOI) before considering whether to invite written tenders, where Council				
(b) inviting expressions of interest (EOI) before considering whether to invite written tenders, where Council decides (by resolution) that it would be in the public interest to invite expressions of interest before inviting written tenders.				
Where Council invites an EOI before considering whether to invite written tenders, Council may prepare a short-list from respondents to the invitation to EOI and invite written tenders from the shortlist.				
Council may decide not to accept any of the tenders it receives.				
Council will accept the tender most advantageous to it having regard to the sound contracting principles.				
Council can not enter into a Contract for the disposal of a Valuable Non-Current Asset without first:				
<ul> <li>(a) inviting written tenders; or</li> <li>(b) inviting expressions of interest (EOI) before considering whether to invite written tenders; or</li> <li>(c) offering the Valuable Non-Current Asset for sale by auction.</li> </ul>				
i   1				

## 4.5 Exceptions for Medium-Sized and Large-Sized Contractual Arrangements

Exceptions for Medium-Sized and Large-Sized Contractual Arrangements					
Quote or Tender Consideration Plan	Council decides <i>by resolution</i> to prepare a Quote or Tender Consideration Plan and then later adopts the plan.  A quote or tender consideration plan is a document stating—				
LGR 2012, s. 230	<ul> <li>(a) the objectives of the plan; and</li> <li>(b) how the objectives are to be achieved; and</li> <li>(c) how the achievement of the objectives will be measured; and</li> <li>(d) any alternative ways of achieving the objectives, and why the alternative ways were not adopted; and</li> <li>(e) the proposed terms of the contract for the goods or services; and</li> <li>(f) a risk analysis of the market from which the goods or services are to be obtained.</li> <li>Contract will be made in accordance with adopted plan.</li> </ul>				

## **Exceptions for Medium-Sized and Large-Sized Contractual Arrangements**

## **Approved Contractor List**

LGR 2012, s. 231

[Two Step Process – Expressions of Interest to establish an approved contractor list, then for each contract, a decision on who will be invited to provide a price]

An approved contractor list is a list of persons who Council considers to be appropriately qualified to provide the services (including professionals).

Council must put together the approved contractor list by inviting **expressions of interest** advertised in the local newspaper giving suitably qualified persons at least 21 days to respond and making a selection having regard to sound contracting principles.

A minimum of one written quote (from a panel supplier) for goods/services valued at less than \$3,000 (GST exclusive). If the contract will exceed the estimated value of \$3,000 (GST exclusive), all panel members will be invited to quote via Vendor Panel.

## Register of Pre-Qualified Suppliers (RPQS)

LGR 2012, s. 232.

[Capability Established by Tender]

Council may establish a register of pre-qualified suppliers of particular goods or services only if—

- (a) the preparation and evaluation of invitations every time the goods or services are needed would be costly; or
- (b) the capability or financial capacity of the supplier of the goods or services is critical; or
- (c) the supply of the goods or services involves significant
- (d) security considerations; or
- (e) a precondition of an offer to contract for the goods or
- (f) services is compliance with particular standards or
- (g) conditions set by the local government; or
- (h) the ability of local business to supply the goods or services needs to be discovered or developed.

A pre-qualified supplier is a supplier who has been assessed by Council as having the technical, financial and managerial capability necessary to perform contracts on time and in accordance with agreed requirements.

Council must invite tenders to be on a RPQS, advertised in the local newspaper for at least 21 days and make a selection having regard to sound contracting principles.

A minimum of one written quote (from a panel supplier) for goods/services valued at less than \$3,000 (GST exclusive). If the contract will exceed the estimated value of \$3,000 (GST exclusive), all panel members will be invited to quote via Vendor Panel.

## Preferred Supplier Arrangement (PSA)

LGR 2012, s. 233.

Council may enter into a Preferred Supplier Arrangement for goods or services with a preferred supplier if Council—

- (a) needs the goods or services—
  - (i) in large volumes; or
  - (ii) frequently; and
- (b) is able to obtain better value for money by accumulating the demand for the goods or services; and
- (c) is able to describe the goods or services in terms that would be well understood in the relevant industry.

Exceptions for Medium-Sized and Large-Sized Contractual Arrangements				
	Council must call tenders for a preferred supplier arrangement, advertised in the local newspaper for at least 21 days, advise the terms of the arrangement (including ability to cancel in the case of poor performance of the supplier) and make a selection having regard to sound contracting principles.  A Preferred Supplier Arrangement may be entered into for a term of more than 2 years (including extensions) only if Council is satisfied the longer term will result in better value for Council.			
Local Government Association Arrangement LGR 2012, s. 234.	The Contract entered into under an LGA Arrangement.			
<b>Sole Supplier</b> <i>LGR 2012, s. 235(a).</i>	Council <b>resolves</b> it is satisfied that there is only one supplier who is reasonably available.			
Specialised Supplier  LGR 2012, s. 235(b).	Council <b>resolves</b> that, because of the specialised or confidential nature of the services that are sought, it would be impractical or disadvantageous for Council to invite quotes or tenders.			
Genuine Emergency  LGR 2012, s. 235(c).	Where a genuine emergency exists (see Section 3).			
Auction Purchase  LGR 2012, s. 235(d).	The Contract is for the purchase of goods and is made by auction.			
Second-Hand Goods  LGR 2012, s. 235(e).	The Contract is for the purchase of second-hand goods.			
Government Agency LGR 2012, s. 235(f).	The Contract is made with, or under an arrangement with a government agency.			

## 4.6 Evaluation of Quotes and Tenders

Council will allow a 5 Star Local Business a price or scoring premium to help them to compete with out of town businesses or those with less local content (e.g. 1, 2, 3, 4 stars). The 'helping hand' will' be a maximum of:

- Public Tenders or Quotations for Specialised Goods / Services 15 point benefit for a 5 Star local business
- Quotations for Standardised Goods / Services 10% price premium for a 5 star local business. Council will not consider suppliers' experience, qualifications, or the quality of the good, as it is considered uniform between submissions. Council will evaluate based purely on price and the application of the local content price premium (if applicable).

The pricing / scoring premium for local businesses with less than 5 stars will be on a sliding scale – the calculation based on 3 points per star for specialised quotes and public tenders and 2% per star for standardised good/service quotations. This will provide a fair and transparent process, for instance, if there is a 5 star local business competing with a 4 star local business.

For the acquisition of specialised goods / services, by way of public tender or quotation, Council will conduct a broader evaluation of suppliers' experience and capability before awarding the contract. An example of this evaluation framework can be seen below:

Criteria	Points	Considerations
Capability	Max 35 points	<ul> <li>Supplier must have necessary knowledge, systems &amp; experience to complete the project</li> <li>Prospective suppliers must articulate their plans for a particular project (project methodology, milestones etc.) to minimise risk</li> </ul>
Price/Whole of Life Cost	Max 50 points	<ul> <li>Affordability</li> <li>Repair and maintenance costs will also be considered before procuring long-term assets</li> </ul>
Contribution to Local Economy / Local Content	Max 15 points	<ul> <li>Affordability</li> <li>Helping hand for local business, not a hand out.</li> <li>Value/cost of retaining money in the local community</li> <li>Subjectivity removed / Calculation of points can be done outside a formal quotation / tender process – Certainty for business and tender evaluation panels</li> </ul>
Total	100 points	

## 4.7 Exceptions for Disposal of Valuable Non-Current Assets

Exceptions for valuable non-current asset disposal other than by tender or auction can only be exercised if the valuable non-current asset:

- (a) was previously offered for sale by tender or auction and was not sold; and
- (b) is sold for more than the highest tender or auction bid that was received;or
- (c) is disposed of to a government agency; or
- (d) is disposed of to a community organisation;

and Council has resolved that the exception may apply.

Further details on exceptions for disposal of valuable non-current assets are contained in section 236 of the LGR 2012.

## 4.8 Other Legislative Obligations

## 4.8.1 Powers to Delegate

Council may delegate, by resolution, a power under the LGA 2009 or another Act to the Chief Executive Officer (CEO). The Council may not delegate a power that an Act states must be exercised by resolution.

Under section 257 of the LGA 2009, Council can delegate to the CEO power to make, amend or discharge a contract for Council.

Under section 238 of the LGR 2012, the CEO may exercise this power:

- (a) where the expenditure has been provided for in Council's budget for that financial year (or for the financial year in which the delegation was made, provided the expenditure is within the limits set); or
- (b) the contractual action is taken because of a genuine emergency or hardship.

## 4.8.2 Procurement and Contracting Activity Delegation

The CEO is authorised to enter into contractual arrangements on behalf of Council within the expenditure delegation. Delegations are recorded in the Register of Delegations contained electronically in Authority.

Other Local Government Employees can only enter into contracts (including Purchase Orders) on behalf of Council if the employee has been granted financial delegation by the CEO and either:

- (a) it is in accordance with the delegation threshold granted by the CEO; or
- (b) the contractual action is taken because of a genuine emergency or hardship.

## 4.8.3 Procurement Policy Maintenance and Review

It is the responsibility of the CEO to monitor the adequacy of this policy. This policy will be formally reviewed by Council annually to ensure continued suitability (LGR 2012 s.198).

## General Meeting - 18 March 2020

## **OFFICER REPORT**

Meeting: General 18 March 2020 Date: 11 March 2020

Item Number: 11.3 File Number: D20/21471

**SUBJECT HEADING:** Investment Report for the month of February 2020

Classification: Open Access

Officer's Title: Operations Manager Finance

## **Executive Summary:**

The purpose of this report is to present to Council the Investment Report (including the Trading Limits Report) as at 29 February 2020.

## Officer's Recommendation:

That the Investment Report as at 29 February 2020 be received and noted

## Individuals or Organisations to which the report applies:

Are there any individuals or organisations who stand to gain a benefit, or suffer a loss, (either directly or indirectly) depending on the outcome of consideration of this matter?

(Note: This is to assist Councillors in identifying if they have a Material Personal Interest or Conflict of Interest in the agenda item - i.e. whether they should participate in the discussion and decision making).

## Maranoa Regional Council

## Acronyms:

## Are there any industry abbreviations that will be used in the report?

Note: This is important as particular professions or industries often use shortened terminology where they refer to the matter on a regular basis. However, for individuals not within the profession or industry it can significantly impact the readability of the report if these aren't explained at the start of the report).

Acronym	Description
QTC	Queensland Treasury Corporation
APRA	Australian Prudential Regulation Authority
BBSW	Bank Bill Swap reference rate (Interest rate benchmarking)

## Context:

Why is the matter coming before Council?

The purpose of this report is to present the Investment Report (including the Trading Limits Report) as at 29 February 2020.

## **Background:**

Has anything already happened in relation to this matter?

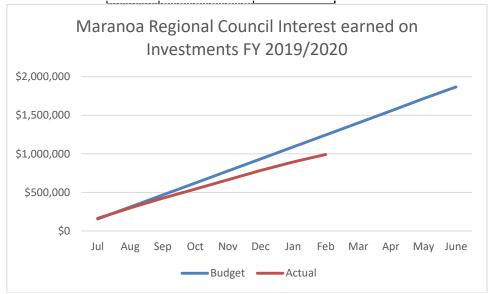

(Succinct overview of the relevant facts, without interpretation)

This report tables the Investment Report which incorporates an Investment Trading Limits Report as at 29 February 2020.

## General Meeting - 18 March 2020

For the eight months ended 29 February 2020 actual interest earned on investments totaled \$992,705, which represented 53.2% of the annual budget with 66.7% of the year elapsed.

Intere	st earned on In	vestments
	Budget	Actual
Jul	\$155,583	\$165,259
Aug	\$311,166	\$299,321
Sep	\$466,749	\$425,049
Oct	\$622,332	\$543,158
Nov	\$777,915	\$665,039
Dec	\$933,498	\$785,032
Jan	\$1,089,081	\$893,794
Feb	\$1,244,644	\$992,705
Mar	\$1,400,248	
Apr	\$1,555,831	
May	\$1,714,414	
June	\$1,866,997	

As per the February Trade Limits report, total investments with AMP exceeded Council's policy limits on individual institutions by \$1.3m due to a crossover of investments when trying to lock in higher investment returns where the market is predicted to decline further. This will be rectified with two million returning from AMP in March.

Legislation, Local Laws, State Policies & Other Regulatory Requirements: What does the legislation and other statutory instruments include about the matter under consideration? (Include an extract of the relevant section's wording of the legislation – please do not just quote the section number as that is of no assistance to Councillors)

## General Meeting - 18 March 2020

## Statutory Bodies Financial Arrangements Act 1982

## Section 47 Statutory body to try to invest at most advantageous rate

- (1) A statutory body must use its best efforts to invest its funds
  - (a) At the most advantageous interest rate available to it at the time of the investment for an investment of the proposed type; and
  - (b) In a way it considers is most appropriate in all the circumstances.
- (2) The statutory body must keep records that show it has invested in the way most appropriate in all the circumstances.

## **Council Policies or Asset Management Plans:**

Does Council have a policy, plan or approach ordinarily followed for this type of decision? What are relevant sections of the policy or plan?

(Quote/insert the relevant section's wording / description within the report)

Council has adopted an Investment Policy with a contemporary approach to investments based on an assessment of market and liquidity risk within the legislative framework of the Statutory Bodies Financial Arrangements Act 1982 and the Statutory Bodies Financial Arrangements Regulations 2007.

The sections of the Investment Policy relevant to this report are the Investment Guidelines and in particular the Portfolio Investment parameters and credit requirements.

It should be noted that unrated deposit taking institutions are regulated by the Australian Prudential Regulation Authority (APRA). Investments up to \$250,000 with any one of these institutions are guaranteed by the Australian Government; which ensures they are more secure than A1+ institutions.

Council's maximum investment with any one unrated institution is limited to the guaranteed amount by the Australian Government of \$250,000 - with the total across all institutions in this category limited to 10% of Council's Portfolio.

(The Australian Prudential Regulation Authority (APRA) is an independent statutory authority established by the Australian Government on 1 July 1998 which supervises institutions across banking, insurance and superannuation.

The authority is responsible for maintaining the safety and soundness of financial institutions, such that the community can have confidence that they will meet their financial commitments under all reasonable circumstances. APRA is accountable to the Australian Parliament.)

## General Meeting - 18 March 2020

The following table shows the credit ratings and counterparty limits for Council: Short Term Rating (Standard & Poor's) or equivalent	Individual Counterparty Limit	Total Limit (Max % of Portfolio)	Maximum Funds (Any one institution)
A1+	25%-35%	100%	\$8M
A1	10%-20%	50%	\$8M
A2 – Financial Institutions only	5%-15%	30%	\$4M
A3 – Financial Institutions only	2%-7%	10%	\$4M
All other approved deposit taking institutions regulated by APRA.	\$250,000 (government guarantee only)	10%	\$250,000
QIC/QTC Pooled Cash Management Funds	100%	100%	Unlimited

Council's Investment Portfolio is the result of investments made with deposit taking institutions based on policy parameters and the best rates available on the day funds are invested.

As a government entity investing substantial funds with each transaction, Council's investments are made to achieve the best possible rate, consistency of returns And reduce potential risk of fraud; by locking down where funds can be deposited to and having specific authorizers nominated by the banks.

Each bank nominates where and how Council is to deposit investment funds with them. This is usually made directly with a bank's treasury department or specific section. Where Council has invested with institutions which have a local presence – each local branch has referred Council to their treasury department / nominated section for receiving investment deposits.

## Input into the Report & Recommendation:

Have others' views or input been sourced in developing the report and recommendation to Council? (i.e. other than the report author?) What did each say? (Please include consultation with the funding body, any dates of critical importance or updates or approvals required)

Director Corporate, Community & Commercial Services.

#### Funding Bodies:

Is the project externally funded (or proposed to be)? If so, are there any implications in relation to the funding agreement or grant application. (Please do not just include names)

Not applicable.

## This Financial Year's Budget:

Will the matter under consideration impact how much Council collects in income or how much it will spend? How much (\$)? Is this already included in the budget? (Include the account number and description).

If the matter under consideration has not been included in the budget, where can the funds be transferred from? (Include the account number and description) What will not be done as a result?

2019/20 Budgeted Investment Income - \$1,867,000 2019/20 Actual Investment Income Year to Date - \$992,705

## General Meeting - 18 March 2020

As market rates have dropped significantly and will continue to fall in the near future budget amendments for interest earned on investments will be considered as part of the third quarter budget review.

## **Future Years' Budgets:**

Will there need to be a change in future years' budgets to cater for a change in income or increased expenditure as a result of Council's decision? How much (\$)? (e.g. estimate of additional maintenance or operating costs for a new or upgraded project)

N/A

## Impact on Other Individuals or Interested Parties:

Is there anyone who is likely to be particularly interested in or impacted by the decision, or affected by the recommendation if adopted? What would be their key interests or concerns? (Interested Parties Analysis - IS9001:2015)

For information purposes only.

#### Risks:

What could go wrong if Council makes a decision on this matter? (What is the likelihood of it happening and the consequence if it does) (List each identified risk in a table)

Risk	Description of likelihood & consequences
Regulatory	Investment portfolio is in accordance with Council's adopted Investment Policy and the Statutory Bodies Financial Arrangements Act 1982 and the Statutory Bodies Financial Arrangements Regulations 2007.

## **Advice to Council:**

What do you think Council should do, based on your skills, qualifications and experience, your knowledge of this and related matters, and the facts contained in the report?

(A summary of what the employee thinks Council needs to hear, not what they think individual Councillors want to hear – i.e. employees must provide sound and impartial advice – the employee's professional opinion)

That Council receive and note the Investment Reports for the period ending 29 February 2020.

## Recommendation:

What is the 'draft decision' based on the advice to Council?

Does the recommendation suggest a decision contrary to an existing Council policy? If so, for what reason?

(Note: recommendations if adopted by Council become a legal decision of government and therefore must be clear and succinct about the action required by employees (unambiguous)).

Does this recommendation suggest a decision contrary to an existing Council policy? If so, for what reason?

No.

Coupon Rate is the full coupon rate at the next coupon date if that next coupon exists. Accrued Interest is calculated as Current Face Value x Coupon Rate ( Adjusted by Franking Credit Rate ) x ( Days Since Prior Coupon or Issue Date / 365). The accrued interest component of the Market Value does not consider the franking credit rate and is instead based upon market prices.

## Background:

Has anything already happened in relation to this matter?

(Succinct overview of the relevant facts, without interpretation)

In February 2019, Howard Edmunds from Opera Eagles Nest visited the Maranoa Regional Council and met with Susan Sands and Cr Puddy Chandler to discuss the proposed tour. Mr. Edmunds has supplied letters of support from Cr Puddy Chandler and Mrs. Carmel Treasure, which are attached to this report.

In addition, the Balonne Shire Council have accepted a similar proposal for Friday 22 May 2020 that has resulted in a reduction in tour fees.

The Roma Cultural Centre auditorium has been tentatively booked for the Saturday 23 May 2020

Legislation, Local Laws, State Policies & Other Regulatory Requirements: What does the legislation and other statutory instruments include about the matter under consideration? (Include an extract of the relevant section's wording of the legislation – please do not just quote the section number as that is of no assistance to Councillors)

N/A

#### Council Policies or Asset Management Plans:

Does Council have a policy, plan or approach ordinarily followed for this type of decision? What are relevant sections of the policy or plan?

(Quote/insert the relevant section's wording / description within the report)

Corporate Plan 2018-2023

Strategic Priority 4: Growing our region

- 4.11 Support development of our local communities through planning, programs and events
- 4.11.3 Deliver community based programs, planning, projects and initiatives in partnership with our local groups including town development, indigenous, tourism, arts, cultural and heritage, sporting and recreation.

## Input into the Report & Recommendation:

Have others' views or input been sourced in developing the report and recommendation to Council? (i.e. other than the report author?) What did each say? (Please include consultation with the funding body, any dates of critical importance or updates or approvals required)

#### Risks:

What could go wrong if Council makes a decision on this matter? (What is the likelihood of it happening and the consequence if it does) (List each identified risk in a table)

Risk	Description of likelihood & consequences
• •	May be seen unfavorably by the Community as a missed opportunity to attend an entertaining and social event

### **Advice to Council:**

What do you think Council should do, based on your skills, qualifications and experience, your knowledge of this and related matters, and the facts contained in the report?

(A summary of what the employee thinks Council needs to hear, not what they think individual Councillors want to hear – i.e. employees must provide sound and impartial advice – the employee's professional opinion)

The recommendation to Council would be to approve the proposal from Opera Eagles nest, it is an opportunity to promote arts and culture within the region and provide a social setting for the community to come together.

#### General Meeting - 18 March 2020

#### Recommendation:

What is the 'draft decision' based on the advice to Council?

Does the recommendation suggest a decision contrary to an existing Council policy? If so, for what reason?

(Note: recommendations if adopted by Council become a legal decision of government and therefore must be clear and succinct about the action required by employees (unambiguous)).

Does this recommendation suggest a decision contrary to an existing Council policy? If so, for what reason?

Re: Letter of Support for Opera Eagles Nest Performance

Dear Howard and Tania,

Thank you for your recent visit to Roma, and consequent proposal to deliver a regional tour through South West Queensland in August 2020 with the performance 'A Touch of Webber, A Taste of Rice'

This production has the endorsement of local primary music teachers, and the Roma & District Eisteddfod, and I am pleased to add my in-principle support for the project. Volunteers in our region spend many hours organising performances including theatre productions, school musicals, dance and band concerts, and both the volunteers and performers actively seek opportunities to work with and learn from professional performers.

The 'Touch of Webber' production will enable a collaboration between the artists, and community and youth engagement across our region, with workshops and rehearsals resulting in a combined concert.

I welcome the proposal from Opera Eagles Nest to hold a production and coordinate community engagement sessions across the Maranoa region. If you require any further information, please contact Council's Regional Grants, Local Development and Council Events Coordinator – Sue Sands on <a href="mailto:susan.sands@maranoa.qld.gov.au">susan.sands@maranoa.qld.gov.au</a> or one of the numbers listed above.

Yours sincerely

Councillor Puddy Chandler

4 Feb 2019,

Carmel Treasure Primary Performing Arts Teacher St John's School Roma Q 4455

To Whom it May Concern,

I write in support of Opera Eagles Nest proposed project "A Touch of Webber, A Taste of Rice". There are a number of young (and not so young) performers in the Maranoa region who would gain so much via participation in such a program.

I have personally been involved with the youth of our town in my role as performing arts teacher at St John's School. I work directly with primary aged students, and with secondary students involved in school musical productions and performances. I have also been the president of the Roma and District Eisteddfod for the last six years, and this has brought me into contact with both students and teachers from the surrounding towns (Mitchell, Surat, Injune, Wallumbilla, Yuleba, Bymount East). I feel very qualified to assert that there is a desire felt by our young people to be involved in quality performances, and that the local community values any group that endeavours to encourage local adults and children to perform and engage with the arts.

There are many people with the talent to perform and sing in our community, but we are lacking when it comes to people with the vision and necessary experience to support and guide these performers. This is due partly to our geographical isolation. It would be wonderful to offer locals access to direction from skilled musical professionals.

I feel there would also be a significant 'follow-on' effect, with community members involved in the project going on to take part in local groups such as the Roma Performing Arts or events such as the local eisteddfod. Community members who participate in this production will build on their own skill set during the course of the show, and this will enable them to take leading roles in future community events such as musicals and concerts. This will ensure that the benefits gained during the running of "A Touch of Weber, A Taste of Rice" are felt far beyond the production presented in 2020.

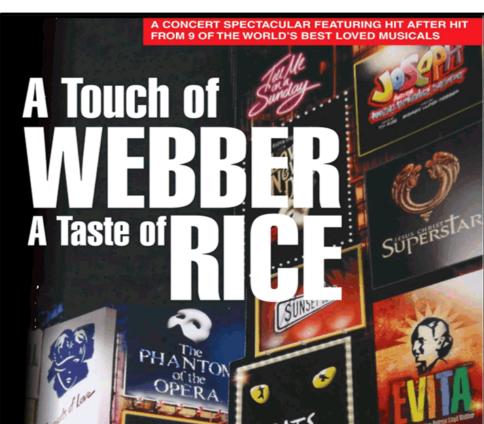

I can see real social and cultural benefits in supporting this project, which will not only encourage, guide and teach local community members, but will also provide a night of quality entertainment for our region.

I commend this project to you, and ask that you give it your consideration,

armel Leasure

Yours faithfully,

Carmel Treasure Primary Performing Arts St John's School Roma.

# Opera Eagle's Nest presents

Proposal for Presenters, Regional Councils, Community and School Choirs, and Singers

## Available to tour May – December 2020

Opera Eagle's Nest presents hit after hit from the most famous music collaboration of modern times - **Andrew Lloyd Webber** and **Tim Rice**, who, together and individually, produced many of the most popular shows, and enduring songs, in the last 40 years, including:-

### General Meeting - 18 March 2020

## PLANNING & BUILDING DEVELOPMENT REPORT

Meeting: General 18 March 2020 Date: 10 March 2020

Item Number: 13.2 File Number: D20/21175

**SUBJECT HEADING:** Material Change of Use - Dwelling House

Classification: Open Access

Officer's Title: Lead Town Planner

**Executive Summary:** Fyfe Pty Ltd C/- Out of the Woods Planning have submitted a properly made development application to Council seeking approval to construct a "Dwelling house" on the property located at 56 and 58 May Street, Wallumbilla (Lot 12 and 13 on W4091). The development application is subject to impact assessment and must be assessed against the assessment benchmarks (to the extent relevant) provided by Section 45 of the *Planning Act 2016.* The *Development Assessment Rules* set out the procedural requirements for the development assessment process.

Public notification about the application was carried out in accordance with Part 4 of the *Development Assessment Rules* and for a period of no less than 15 business days between 28 January, 2020 and 18 February, 2020. There were no properly made submissions received during this period.

The procedural requirements set out by the *Development Assessment Rules* to enable Council to make a decision on this matter have been fulfilled. The development application is generally consistent with the assessment benchmarks provided by the *Planning Act 2016* and any perceived conflict with the assessment benchmarks can be addressed by way of conditions of development approval. Council assessing officers have also identified several relevant matters that support the approval of the application, including the absence of any significant impacts that result from the development.

**Officer's Recommendation:** The application for a Development Permit for a Material Change of Use for a "Dwelling house" at 56 and 58 May Street, Wallumbilla (Lot 12 and 13 on W4091) be approved subject to the following conditions:

### **Preamble**

- i. The Capricorn Municipal Development Guidelines apply to this development. Refer to http://www.cmdg.com.au/ for the Capricorn Municipal Development Guidelines (CMDG).
- ii. Refer to http://www.maranoa.qld.gov.au/council-policies for Council Policies.
- iii. The relevant planning scheme for this development is the *Maranoa Planning Scheme 2017*. All references to the 'Planning Scheme' and 'Planning Scheme Schedules' within these conditions refer to the above Planning Scheme.

#### General Meeting - 18 March 2020

- iv. Under the Planning Scheme a "**Dwelling house**" means a residential use of premises involving
  - (a) 1 dwelling for a single household and any domestic outbuildings associated with the dwelling; or
  - (b) 1 dwelling for a single household, a secondary dwelling, and any domestic outbuildings associated with either dwelling.
- v. The Environmental Protection Act 1994 states that a person must not carry out any activity that causes, or is likely to cause, environmental harm unless the person takes all reasonable and practicable measures to prevent or minimise the harm. Environmental harm includes environmental nuisance. In this regard, persons and entities involved in the operation of the approved development are to adhere to their 'general environmental duty' to minimise the risk of causing environmental harm to adjoining premises.
- vi. All Aboriginal Cultural Heritage in Queensland is protected under the (Aboriginal Cultural Heritage Act 2003) and penalty provisions apply for any unauthorised harm. Under the legislation a person carrying out an activity must take all reasonable and practicable measures to ensure the activity does not harm Aboriginal Cultural Heritage. This applies whether or not such places are recorded in an official register and whether or not they are located in, on or under private land. The developer is responsible for implementing reasonable and practical measures to ensure the Cultural Heritage Duty of Care Guidelines are met and for obtaining any clearances required from the responsible entity.
- vii. It is the responsibility of the developer to obtain all necessary permits and submit all necessary plans and policies to the relevant authorities for the approved use.
- viii. An operational works application will be required to be submitted to and approved by Council for any cut and/or filling works that exceed 50m<sup>3</sup>.
- ix. All persons involved in the operation or use of the site have an obligation to take all reasonable and practical measures to prevent or minimise any biosecurity risk under the *Biosecurity Act 2014*.
- x. Refer to Attachment 2 Adopted Infrastructure Charges Notice for infrastructure charges levied for the approved development.
- xi. In completing an assessment of the proposed development, Council has relied on the information submitted in support of the development application as true and correct. Any change to the approved plans and documents may require a new or changed development approval. It is recommended to contact Council for advice in the event of any potential change in circumstances.

### General Meeting - 18 March 2020

### Use

1. The approved development is a Material Change of Use - "Dwelling house" as defined in the Planning Scheme and as shown on the approved plans. It does not authorise any other activity or building on the premises or the use of the approved development for any other purpose.

## **Compliance inspection**

- 2. All conditions relating to the establishment of the approved development must be fulfilled prior to the approved use commencing, unless otherwise noted within these conditions.
- 3. Prior to the commencement of use the applicant shall contact Council's Planning Department and arrange a development compliance inspection.

## **Approved plans and documents**

4. All works and operations are to be carried out generally in accordance with the approved plan listed in the following table. Where the approved plan is in conflict with the Assessment Manager's conditions, the Assessment Manager's conditions shall take precedence.

Plan/Document Number	Plan/Document Name	Date
208/13 Rev F Sheet 1 of 15	Site Plan	11-12-19
208/13 Rev F Sheet 2 of 15	Floor Plan	11-12-19
208/13 Rev F Sheet 3 of 15	Elevations	11-12-19
208/13 Rev F Sheet 4 of 15	Sections and Framing	11-12-19

### **Development works**

- 5. During the course of constructing the works, the developer shall ensure that all works are carried out by appropriately qualified persons and the developer and the persons carrying out and supervising the work shall be responsible for all aspects of the works, including public and worker safety, and shall ensure adequate barricades, signage and other warning devices are in place at all times.
- 6. The developer is responsible for locating and protecting any Council and public utility services, infrastructure and assets that may be impacted on during construction of the development. Any damage to existing infrastructure (kerb, road pavement, existing underground assets, etc.) that is attributable to the progress of works on the site or vehicles associated with the development of the site shall be immediately rectified in accordance with the asset owners' requirements and specifications and to the satisfaction of the asset owners' representative(s).

### General Meeting - 18 March 2020

## **Applicable Standards**

- 7. All works must comply with:
  - a) the development approval conditions;
  - b) any relevant provisions in the Planning Scheme and the Capricorn Municipal Development Guidelines;
  - c) any relevant Australian Standard that applies to that type of work; and
  - d) any alternative specifications that Council has agreed to in writing and which the developer must ensure do not conflict with any requirements imposed by any applicable laws and standards.

## **Amalgamation of lots**

8. The lots comprising the approved development (Lot 12 and Lot 13 on W4091) must be amalgamated prior to the commencement of use.

## **Building materials**

9. Building materials and surface finishes must be predominantly within the colour range of the local landscape to blend with the surrounding environment. The approved development is not to be constructed with reflective cladding material.

## **Building standards**

10. The finished floor level of the approved development shall be a minimum of 1450 millimetres above the existing ground level.

**Note:** The existing ground level is taken to be the level of the ground prior to any works being carried out on the site.

### **Emergency events**

11. A flood management plan shall be prepared prior to the commencement of use. The plan shall have regard to the site characteristics and include management procedures that shall be implemented in the event of a flood event. All occupiers shall be made aware of the flood management plan, its content, and the procedures that need to be followed in the case of a flood event.

### Safe storage of equipment and materials

12. All stored goods with the potential to cause harm by way of floating debris or potential contamination of waterways during a flood event must be stored in flood proof containers, adequately secured or located safely at 1450mm above the existing ground level. Any goods, material or machinery with the potential to cause harm or contamination that is not located 1450mm above

### General Meeting - 18 March 2020

the existing ground level or in flood proofed containers shall be stored in such a manner to be easily accessed and relocated off-site before a flood event.

## **Building design**

- 13. The building must be designed and constructed so that, in the event of a flood event, at a minimum, it
  - a) Resists collapse or significant permanent movements, resulting from
    - i) hydrostatic action
    - ii) hydrodynamic action;
    - iii) erosion and scouring;
    - iv) wind; and
    - v) any other action; and
  - b) safeguards occupants and other people against illness and injury caused by flood water affecting the building.
- 14. Building materials and surface treatments under the finished floor level of the approved development must be resistant to water damage and must not include wall cavities that would collect water and sediment during a flood event.

## Refuse storage

15. Waste containers must be provided on site for the exclusive use of the "Dwelling house" and must be maintained in a clean and tidy state at all times while the use continues. The waste containers shall be emptied and the waste removed from the site on a regular basis.

### Access and Manoeuvring

- 16. A vehicle crossover providing access to the approved development is to be constructed in accordance with Capricorn Municipal Design Guidelines Standard Drawing Urban Residential Driveway CMDG-R-041A. The crossover shall be generally in the location shown on approved Site Plan 208/13 Rev F Sheet 1 of 15 dated 11-12-19.
- 17. The vehicle crossover must be located a minimum distance of one metre from any street signage, street lights, manholes, stormwater gully pits or other Council assets, unless otherwise specified in the applicable development standards and specifications.
- 18. The landowner is responsible for maintaining the vehicle crossover from the road carriageway to the property boundary. Should any damage be caused to May Street at the access location, it is the landowner's responsibility to ensure this is reinstated. Any repair works are to be undertaken in consultation with Council and at the landowner's expense.
- 19. All internal vehicle access and manoeuvring areas (i.e. driveways, parking areas) are to be constructed with an all-weather surface and must be

#### General Meeting - 18 March 2020

maintained throughout the duration of the approved use.

## **Avoiding Nuisance**

- 20. No unreasonable and sustained nuisance is to be caused to adjoining properties and occupiers by the way of noise, smoke, dust, rubbish, contaminant, stormwater discharge or siltation at any time during or after the establishment of the approved development.
- 21. Lighting, including any security lighting, shall be such that the lighting intensity does not exceed 8.0 lux at a distance of 1.5 metres from the site at any property boundary.
- 22. All lighting shall be directed or shielded so as to ensure that no glare directly affects nearby properties.
- 23. The area and its surrounds shall be kept in an orderly fashion, free of rubbish and clear of weeds and long grasses. The approved development and the premises are to be maintained in a clean and tidy condition and not to pose any health and safety risks to the community.
- 24. All mechanical equipment (including air conditioners and the like) and rainwater tanks are to be screened from the adjoining roadway and nearby properties.

## Stormwater drainage and Erosion control

- 25. Stormwater from the roof of the approved development is to be collected internally in a rainwater tank/s with sufficient capacity to store water generated during a normal rain event. Overflow from the rainwater tank shall be directed away from adjoining properties and managed generally in accordance with the Capricorn Municipal Development Guidelines Stormwater Drainage Design D5.
- 26. Post-development stormwater runoff flows from the development site are not to exceed pre-development stormwater runoff flows to adjoining properties and roads.
- 27. Stormwater is collected and discharged so as to:
  - (a) protect the stability of buildings and the use of adjacent land:
  - (b) prevent water-logging of nearby land;
  - (c) protect and maintain environmental values; and
  - (d) maintain access to reticulated infrastructure for maintenance and replacement purposes.
- 28. There must be no increases in any silt loads or contaminants in any overland flow from the property being developed during the development process and after the development has been completed. All stormwater from the approved development is to be collected onsite using appropriate pollution control

#### General Meeting - 18 March 2020

devices or methods to ensure no contamination or silting of creeks or other waterways.

If there is a possibility of erosion or silt or other materials being washed off the property during the development process or after the development is completed, the developer must document and implement a management plan that prevents this from occurring.

- 29. The developer shall immediately clean up and satisfactorily remove any deposited construction material or silt runoff from the development site.
- 30. Stockpiles of material capable of being moved by the action of running water shall be stored clear of drainage paths and be prevented from entering the road and/or drainage system.
- 31. Runoff from premises ensures the quality of surface water is suitable for:
  - (a) the biological integrity of aquatic ecosystems;
  - (b) recreational use;
  - (c) supply as drinking water after minimal treatment; and
  - (d) agricultural use or industrial use.

#### Services

- 32. The proposed development is to be provided with a water connection, up to and including a path cock, to Council's reticulated water supply system in accordance with the CMDG and specifically the Water Services Association of Australia (WSAA) publication WSA03-2002 Water Reticulation Code of Australia (version 2.3).
- 33. The approved development must be connected to an on-site sewerage treatment system adequate for the proposed use. A development permit for plumbing and drainage works must be obtained from Council for the on-site sewerage system.
- 34. The removal and disposal of any effluent from the site must be performed by a suitably licensed contractor.

**Note:** The landowner/operator is responsible for obtaining any permits required to achieve compliance with environmental laws relevant to the provision of onsite sewerage treatment and/or disposal.

- 35. In the event that the "Dwelling house" cannot be supplied with an adequate supply of electricity through efficient design and alternative energy technologies, a connection to the reticulated electricity network must be provided in accordance with the relevant service provider's standards and requirements.
- 36. If the "Dwelling house" is connected to a telecommunication service, then such works shall be undertaken in accordance with the relevant service provider's requirements and specifications along with relevant building

#### **General Meeting - 18 March 2020**

standards requirements and specifications.

37. Any conflicts associated with proposed and existing services shall be forwarded by the developer to the appropriate controlling authority for approval for any proposed changes.

### No Cost to Council

38. The developer is responsible for meeting all costs associated with the approved development unless there is specific agreement by other parties, including the Council, to meeting those costs. This includes the costs of any services and infrastructure required in connection with the establishment of the development.

### **Latest versions**

39. Where another condition refers to a specific published standard, manual or guideline, including specifications, drawings, provisions and criteria within those documents, that condition shall be deemed as referring to the latest versions of those publications that are publicly available at the commencement of the development works, unless a regulation or law requires otherwise.

## **Application Documentation**

40. It is the developer's responsibility to ensure that all entities associated with this Development Approval have a legible copy of the Decision Notice, Approved Plans and Approved Documents bearing 'Council Approval'.

### Individuals or Organisations to which the report applies:

Are there any individuals or organisations who stand to gain a benefit, or suffer a loss, (either directly or indirectly) depending on the outcome of consideration of this matter?

(Note: This is to assist Councillors in identifying if they have a Material Personal Interest or Conflict of Interest in the agenda item - i.e. whether they should participate in the discussion and decision making).

Council's decision regarding this matter is likely to affect;

AGL Energy Limited

### **Acronyms:**

#### Are there any industry abbreviations that will be used in the report?

Note: This is important as particular professions or industries often use shortened terminology where they refer to the matter on a regular basis. However, for individuals not within the profession or industry it can significantly impact the readability of the report if these aren't explained at the start of the report).

#### General Meeting - 18 March 2020

#### Context:

Why is the matter coming before Council?

This development application is subject to impact assessment. Determination of an impact assessable application sits outside the scope of officer delegations and a decision about the application is required to be made by Council resolution.

### Background:

Has anything already happened in relation to this matter?

(Succinct overview of the relevant facts, without interpretation)

A properly made development application has been submitted to Council by Fyfe Pty Ltd C/- Out of the Woods Planning seeking approval to construct a 'Dwelling house' on a residential zoned property located at 56 and 58 May Street in Wallumbilla. The house is intended to be used by AGL Energy employees who work at the Wallumbilla Gas Hub located approximately 10 kilometers south of the subject premises.

A 'Dwelling house' is a use that is typically contemplated and generally consistent with the outcomes sought by the land use zoning in this location, and ordinarily a planning approval would not be required. In this instance, the requirement for a planning approval is triggered because the site is identified on Council flood mapping as containing areas of "low" and "significant" flooding, and therefore before the development can proceed Council needs to be satisfied that the flood risk to people and property can be mitigated to an acceptable or tolerable level.

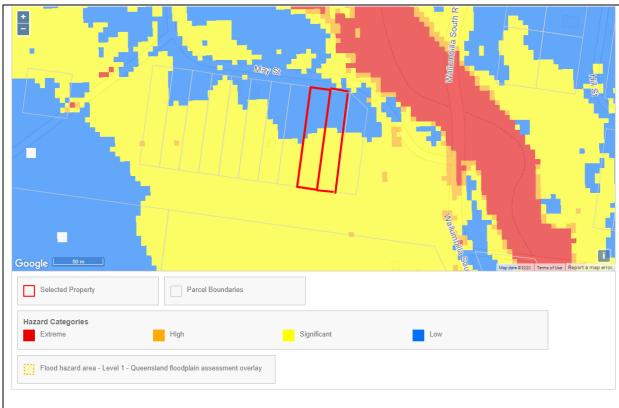

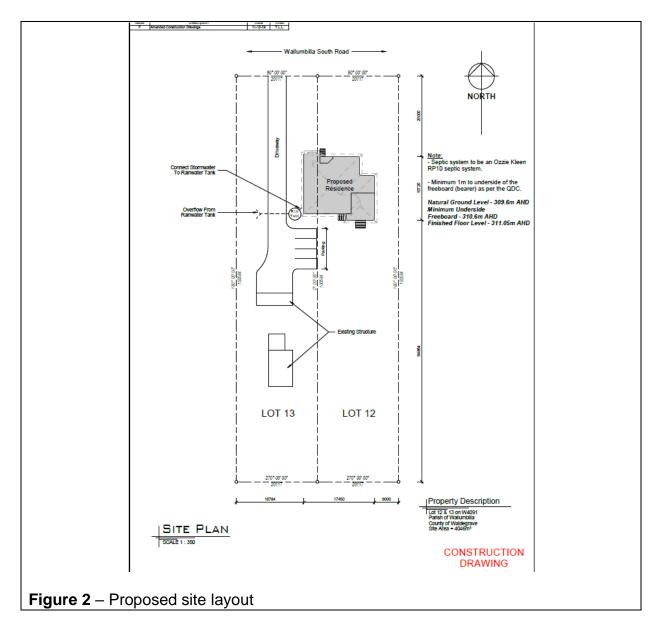

Figure 1 – Extent of flood mapping over the premises

### General Meeting - 18 March 2020

The applicant is proposing to construct the house within the area of the site that is mapped as containing low flood hazard (see Figure 1 and Figure 2). This is the lowest flood hazard category in the Planning Scheme, and in these areas houses are contemplated provided habitable rooms are elevated above the defined flood level and other measures are implemented in order to mitigate flood risks to people and property.

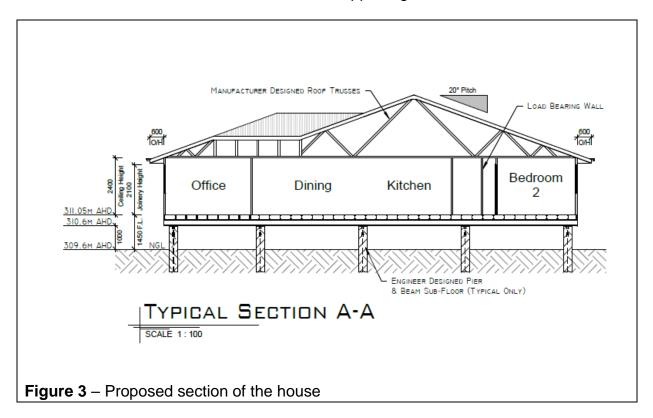

To achieve compliance with the Planning Scheme, the applicant has undertaken detailed survey work over the site and established a defined flood level from which a minimum floor height has then been determined. Based on the survey work, the proposed house has been designed so that the bearers of the floors of all habitable rooms in the house are elevated 300mm above the defined flood level (see Figure 3).

Also, should Council resolve to approve the application, assessing officers have recommended conditions to further mitigate potential flood risks, including the safe

#### General Meeting - 18 March 2020

storage of equipment on the premises, the use of flood tolerant building materials and the preparation and implementation of a flood management plan.

A full assessment of the application against the applicable assessment benchmarks prescribed by Regulation, including an assessment against the flood hazard assessment benchmarks is attached in the Supporting materials.

Legislation, Local Laws, State Policies & Other Regulatory Requirements: What does the legislation and other statutory instruments include about the matter under consideration? (Include an extract of the relevant section's wording of the legislation – please do not just quote the section number as that is of no assistance to Councillors)

The proposal constitutes a *material change of use* as defined in the *Planning Act* 2017 (being *the start of a new use of the premises*) and requires a development permit to be issued by Council prior the commencement of use.

Provisions of the *Maranoa Planning Scheme 2017* make the required development application subject to impact assessment. An impact assessment is an assessment that must be carried out against the assessment benchmarks prescribed by the *Planning Regulation 2017*, in this case being;

- the Darling Downs Regional Plan;
- the State Planning Policy;
- the Maranoa Planning Scheme; and
- the Maranoa Regional Council LGIP.

#### General Meeting - 18 March 2020

In accordance with Section 60 of the *Planning Act 2016*, after carrying its assessment Council must decide to:

- (a) approve all or part of the application; or
- (b) approve all or part of the application, but impose development conditions on the approval; or
- (c) refuse the application

## **Council Policies or Asset Management Plans:**

Does Council have a policy, plan or approach ordinarily followed for this type of decision? What are relevant sections of the policy or plan?

(Quote/insert the relevant section's wording / description within the report)

The *Maranoa Planning Scheme 2017* and the Maranoa Regional Council Local Government Infrastructure Plan are applicable to the assessment of the application (the Local Government Infrastructure Plan forms part of the Planning Scheme).

The relevant sections of the Maranoa Regional Planning Scheme 2017 are;

- Part 3 Strategic Framework
- Part 4 Local Government Infrastructure Plan
- Part 5 Tables of Assessment
- Part 6 Zones
  - Part 6.2.3 General residential zone
- Part 8 Overlays
  - Part 8.2.1 Agricultural Land Overlay Code
  - Part 8.2.5 Flood Hazard Overlay Code
- Part 9 Development codes
  - Part 9.3.1 Accommodation Activities Code

## Input into the Report & Recommendation:

Have others' views or input been sourced in developing the report and recommendation to Council? (i.e. other than the report author?) What did each say? (Please include consultation with the funding body, any dates of critical importance or updates or approvals required)

Consultation about this application has occurred with:

- Manager Planning & Building Development (internal)
- Director, Development Facilities and Environmental Services (internal)

The Officer's recommendation has been informed by feedback received from the persons consulted.

#### Funding Bodies:

Is the project externally funded (or proposed to be)? If so, are there any implications in relation to the funding agreement or grant application. (Please do not just include names)

#### General Meeting - 18 March 2020

**N/A** – The project is a private development that will be funded by an external party.

## This Financial Year's Budget:

Will the matter under consideration impact how much Council collects in income or how much it will spend? How much (\$)? Is this already included in the budget? (Include the account number and description).

If the matter under consideration has not been included in the budget, where can the funds be transferred from? (Include the account number and description) What will not be done as a result?

The costs of fulfilling any development approval obligations, financial or otherwise, remains the sole responsibility of the developer and land owner/s. There is potential for Council to incur costs only in the event that its decision regarding the application is appealed to the Court.

## **Future Years' Budgets:**

Will there need to be a change in future years' budgets to cater for a change in income or increased expenditure as a result of Council's decision? How much (\$)? (e.g. estimate of additional maintenance or operating costs for a new or upgraded project)

As above.

#### Impact on Other Individuals or Interested Parties:

Is there anyone who is likely to be particularly interested in or impacted by the decision, or affected by the recommendation if adopted? What would be their key interests or concerns? (Interested Parties Analysis - IS9001:2015)

There were no properly made submissions received during public notification about the application and there were no referral agencies for the application. As such, it is unlikely that any other individual or party, other than owner (AGL Energy Limited) that would be interested or impacted by Council's decision.

#### Risks:

What could go wrong if Council makes a decision on this matter? (What is the likelihood of it happening and the consequence if it does) (List each identified risk in a table)

Risk	Description of likelihood & consequences
See below	

Potential risks associated with the proposal have been addressed in the development assessment. Other matters outside of this, which are not called up in the *Planning Act 2016*, cannot be considered in decision making.

As with any planning decision reached by Council, there is a risk that the applicant can appeal aspects of the decision to the Planning and Environment Court (the Court). In this instance, the risk of submitter appeal is considered high only if Council resolve to refuse the application.

**Note**: The likelihood of an appeal is not a valid planning consideration and must not be used to inform Council's decision on any planning application.

#### Advice to Council:

What do you think Council should do, based on your skills, qualifications and experience, your knowledge of this and related matters, and the facts contained in the report?

#### General Meeting - 18 March 2020

(A summary of what the employee thinks Council needs to hear, not what they think individual Councillors want to hear – i.e. employees must provide sound and impartial advice – the employee's professional opinion)

It is considered that on balance, the proposal presents no significant inconsistency with the applicable assessment benchmarks. Development conditions have been recommended to ensure compliance to the greatest extent possible. Any residual inconsistency with the assessment benchmarks needs to be considered in light of various relevant matters including:

- the subject premises has access to the sealed road network; and
- the bearers of the floor of all habitable rooms in the dwelling house are elevated 300mm above the defined flood level;
- flood risk to people and property can mitigated to an acceptable or tolerable level through the use of building design and materials and the preparation and implementation of a flood management plan; and
- there is an absence of any significant impacts that result from the development; and
- the proposed use is consistent with the zoning of the premises and is considered to be a use that is ordinarily expected and accepted in a residential area.

Based on the above, Council should endorse the officer recommendation and approve the development application for a *Material change of use* for a "Dwelling house" subject to reasonable, relevant and enforceable conditions.

#### Recommendation:

What is the 'draft decision' based on the advice to Council?

Does the recommendation suggest a decision contrary to an existing Council policy? If so, for what reason?

(Note: recommendations if adopted by Council become a legal decision of government and therefore must be clear and succinct about the action required by employees (unambiguous)).

Does this recommendation suggest a decision contrary to an existing Council policy? If so, for what reason?

That Council endorse the Officer recommendation to approve the Material change of use for a "Dwelling house" at 56 and 58 May Street, Wallumbilla (Lot 12 and 13 on W4091) subject to reasonable, relevant and enforceable conditions. This recommendation is consistent with existing Council policy.

## Attachment 2 - Planning Assessment

## Introduction

Fyfe Pty Ltd C/- Out of the Woods Planning have submitted a development application for a Material Change of Use for a "Dwelling house" at 56-58 May Street, Wallumbilla.

The development site consists two vacant residential zoned lots that have a combined site area of 0.4 hectares. The size and zoning of the premises is reflective of adjoining and surrounding properties.

The proposed dwelling is intended to be used by AGL Energy employees who work at the Wallumbilla Gas Hub located approximately 10 kilometers south of the subject premises. Plans of the proposed dwelling, including its location on the site in the context of existing development, are included in the Supporting Materials as Attachment 2.

The Maranoa Planning Scheme 2017 makes the proposed development subject to impact assessment and an assessment of the application must be carried out against the assessment benchmarks prescribed by the Planning Act 2016.

The applicable assessment benchmarks are;

- Darling Downs Regional Plan;
- State Planning Policy (to the extent that the applicable sections have not been appropriately integrated in the Planning Scheme);

- · Maranoa Planning Scheme; and
- Maranoa Regional Council LGIP.

An assessment against the assessment benchmarks is provided below.

## The Darling Downs Regional Plan

The *Darling Downs Regional Plan* was adopted in October 2013 and covers the local government areas of Balonne, Goondiwindi, Maranoa, Southern Downs, Toowoomba and Western Downs.

The intent of the Darling Downs Regional Plan is to provide direction to resolve competing state interests relating to the agricultural and resources sectors, and to enable the growth potential of the region's towns.

The intent of the Darling Downs Regional Plan will not be compromised by the proposed development. The proposal is for a dwelling on a residential zoned block. It will not compete or impact on the resource sector in the region nor will it lead to the fragmentation or loss of good quality agricultural land.

## The State Planning Policy

Council is required to consider the State Planning Policy to the extent that the applicable sections have not been appropriately integrated in the Maranoa Planning Scheme. As the Maranoa Planning Scheme appropriately integrates all relevant aspects of the State Planning Policy a separate assessment of the application against this document is not required.

## The Maranoa Planning Scheme 2017

The following sections of the Planning Scheme are applicable;

- Part 3 Strategic Framework
- Part 4 Local Government Infrastructure Plan
- Part 5 Tables of Assessment
- Part 6 Zones
  - Part 6.2.3 General residential zone code
- Part 8 Overlays
  - Part 8.2.1 Agricultural Land Overlay Code
  - Part 8.2.5 Flood Hazard Overlay Code
- Part 9 Development codes
  - Part 9.3.1 Accommodation Activities Code

## Part 3 – Strategic framework

The Strategic framework sets the policy direction for the Planning Scheme and forms the basis for ensuring appropriate development occurs within the planning scheme area for the life of the planning scheme.

The Strategic framework is structured in the following way;

The Maranoa region including:

- (i) the region and the Darling Downs Regional Plan;
- (ii) the region and the Maranoa Community Plan 2020

The themes and key policies:

- (i) livable communities and housing;
- (ii) economic growth;
- (iii) environment and heritage;
- (iv) hazards and safety; and
- (v) infrastructure.

An assessment of the proposed development against the applicable key aspects of the Strategic framework is provided in the table below;

Policy Direction	Response	
Darling Downs Regional Plan	The proposed development will not compromise the intent of the Darling Downs Regional Plan because it is for a dwelling on a residential zoned premises that will not compete or impact on resource or agricultural activity in the region.	
Maranoa Community Plan 2020	The proposed development will not compromise the intent of the <i>Maranoa Community Plan 2020</i> . The application is for a dwelling on a residential block/s that is intended to be used for accommodation activities. The development will not compromise the "principles for the community" or the "development of uses" as outlined in the <i>Maranoa Community Plan 2020</i> .	
The themes and key policies	The proposed development is consistent with the applicable themes and key policies of the Strategic framework because;	
	<ul> <li>the proposed dwelling is sited outside the</li> </ul>	

significant, high and extreme flood hazard areas;

- it is compatible with and reflective of existing and surrounding land uses;
- it will not prejudice or compete with agricultural uses, retail and commercial uses in traditional centres, mining and extractive resources or tourism; and
- it will not impact negatively on any significant natural features or areas of cultural significance.

## Part 4 - Local Government Infrastructure Plan

The Maranoa Regional Council Local Government Infrastructure Plan (LGIP) was adopted by Council in 2018. The purpose of the LGIP is, amongst other things, to provide a basis for the imposition of conditions about infrastructure on development approvals. The proposed development is located within the PFTI and the applicant will be required to pay contributions for the trunk networks that are accessed and where added demand is placed.

## Part 6.2.3 The General Residential Zone Code

The purpose of the General residential zone is to:

- (a) provide for predominantly detached dwelling houses supported by community uses and small-scale services and facilities that cater for the needs of local residents;
- (b) encourage higher residential densities where appropriate by providing for multiple dwellings and smaller lot housing nearer the Principal centre (within the Central living precinct); and,
- (c) ensure that residential development is protected from natural hazards and from development types that would adversely impact upon existing amenity.
- (d) ensure that development maintains the integrity and water quality of the Murray-Darling Basin Catchment.
- (e) maximise the use of existing infrastructure and transport networks.

The overall outcomes sought for the General residential zone code are as follows:

- (f) a range of housing, predominantly detached dwelling houses, on a range of lot sizes;
- (g) development results in an efficient land-use pattern that is well connected to other parts of the local government area;

- (h) development is designed to provide safe and walkable neighbourhoods;
- (i) development provides for uses that front the street to provide a sense of residential amenity and character and enhance community safety;
- (j) other small-scale non-residential uses (including Home business uses) that integrate work and family and complement local residential amenity are facilitated;
- (k) development maintains a high level of residential amenity having regard to traffic, noise, dust, odour, lighting and other locally specific impacts;
- (I) development is designed to incorporate sustainable practices including maximising energy efficiency, water conservation and transport use;
- (m)transport infrastructure is designed to provide and promote safe walking and cycling;
- (n) development is reflective and responsive to the environmental constraints of the land:
- (o) development is supported by necessary community facilities, open space and recreational areas and appropriate infrastructure to support the needs of the local community;
- (p) non-residential uses may be supported where such uses directly support the day to day needs of the immediate residential community, do not detract from the residential amenity of the area and do not undermine the viability of nearby centres;
- (q) natural features such as creeks, gullies, waterways, wetlands and vegetation and bushland are retained, enhanced and buffered from the impacts of development. Any unavoidable impacts are minimised through location, design, operation and management requirements;
- (r) residential development maintains the safety and integrity of airport operations;
- (s) residential development yields in the defined flood event inundation area subject to Significant, High or Extreme hazard do not exceed one dwelling house per lot as it exists at the commencement date of the planning scheme; and,
- (t) non-resident workforce accommodation is not supported in this zone.
- (u) Uses other than accommodation activities may be supported where lots are contiguous with land not zoned residential, where the use is similar to the adjacent non-residential land use/s.

The proposed development complies with the Purpose and Overall Outcomes of the General Residential Zone because;

- It will maintain the integrity and water quality of the Murray-Darling Basin Catchment through the implementation of appropriate stormwater management techniques;
- It will maximise the use of existing infrastructure and transport networks;
- results in an efficient land-use pattern that is well connected to other parts of the local government area; and
- it is reflective and responsive to the environmental constraints of the land through design and construction methods.

Assessment against the design criteria of General Residential Zone Code is provided in the table below.

Residential amenity is to be maintained and outbuildings are not to be used for ancillary non-residential uses.

Residential amenity is not compromised by the storage of domestic goods.

**Note**: Ancillary non-residential uses are any uses that are not ancillary to the activities within a Dwelling.

PO 7 Separation from incompatible land

Adequate separation distances are provided between uses in the General Residential zone (and also uses outside the zone) to ensure:

- (a) the future viability of surrounding uses;
- (b) infrastructure items are protected from incompatible development;
- (c) an appropriate standard of amenity and public safety; and
- (d) conflict arising from incompatible uses is minimised.

**N/A** – the development is not for a residential outbuilding.

The proposed development will be conditioned to provide adequate setbacks to ensure the future viability of surrounding uses and to avoid conflict with adjoining and surrounding land uses.

## Infrastructure - refer to the Operational works infrastructure code

#### **Erosion Control**

#### PO 23 Construction activities

Both erosion control and silt collection measures are undertaken to ensure the protection of environmental values during construction. Should the application be approved, conditions of development approval will require that during construction, soil erosion and sediment is managed in accordance with the Capricorn Municipal Development Guidelines.

#### Provision of services

## PO 24 Electricity supply

Premises are provided with a supply of electricity adequate for the activity.

Premises have access to the reticulated electricity infrastructure.

## PO 25 Gas supply

Where a reticulated gas supply is available: premises are provided with a supply of reticulated gas adequate for the activity; and access to reticulated infrastructure is to be maintained for maintenance and replacement purposes.

**Not applicable** - premises are not able to connect to Council's reticulated gas system.

## PO 26 Water supply

To ensure the provision of a potable and firefighting water supply: premises are provided with a supply and

premises are provided with a supply and volume of water adequate for the activity; and access to reticulated water infrastructure is to be maintained for maintenance and replacement purposes.

Premises will be connected to Council's reticulated water system.

## PO 27 Effluent disposal

To ensure that public health and environmental values are preserved: all premises provide for the effective treatment and disposal of effluent and other waste water and access to reticulated

waste water; and access to reticulated infrastructure is to be maintained for maintenance and replacement purposes.

Premises will be conditioned to provide effective treatment and disposal of effluent and other waste water

Performance outcomes	Acceptable outcomes
PLANNING	
Use and density	
PO 1 Use  Development on ALC Class A and Class B land is limited to:-  (a) rural uses that make use of and rely upon the quality of the agricultural land resource; (b) complementary uses that are essential to on-site farming	The proposed development is for a complementary use in the form of dwelling house.
practice.	
PO 2 Separation – residential uses	Y

Development for residential activities and other sensitive land uses does not adversely impact on the ongoing operational efficiency and productive agricultural use of ALC Class A and Class B land. The proposal is for a small scale, low intensity accommodation activity that will occupy less than 40% of the total land holding. It will not compromise the continued use of the lot or adjacent lots for agricultural pursuits.

Note: Sensitive land uses are defined in the State Planning Policy.

PO 3 Fragmentation - subdivision Reconfiguring a lot involving ALC Class A and Class B land does not result in lot sizes or lot configurations that lead to:-

- (a) fragmentation of rural land and loss of land for viable rural production:
- (b) proposed lots intended for general residential or rural residential use;
- (c) loss of flexibility in the way landholdings are used for agricultural production.

N/A - The proposal is not for a ROL.

# PO4 Fragmentation – boundary realignment

The boundaries of existing lots containing ALC Class A and Class B land are not rearranged, unless it can be demonstrated that a rearrangement of lot boundaries would:-

- (a) aggregate ALC Class A and Class B land resources and maximise the utility of the land for agricultural purposes;
- (b) provide for better land management; and
- (c) not give rise to, or worsen, land use conflicts between agricultural and residential land uses.

**N/A** – The proposal is not for a boundary realignment.

#### **ENGINEERING**

# Stormwater and Drainage PO5 Stormwater and Drainage

Development for non-agricultural purposes is located, designed and constructed to minimise the impact of sediment and stormwater run-off on ALC Class A and Class B land.

Stormwater collection and discharge will be managed in accordance with Council's adopted standards.

## 8.2.5 Flood hazard overlay code

The purpose of the Flood hazard overlay code is to ensure that development (carried out under all categories of development or assessment) successfully mitigates the potential impacts of riparian flooding on property, and ensures the safety of people during flood events to the greatest extent possible. 'Property' includes all adjoining and all potentially affected property. The code, through the control of further development in known flood affected areas, also seeks to:

- preserve the existing levels of economic activity during and after flood events in affected towns;
- protect the environment from flood related erosion and pollution; and
- protect emergency services personnel from unnecessary risk during flood events.

The purpose of the code will be achieved through the following overall outcomes:-

Development in the Significant, High and Extreme flood hazard areas shown on the Flood hazard overlay maps:

- maintains and enhances the hydrological function of the land;
- does not involve filling (earthworks) or changes to existing landform or drainage lines that results in a loss of the flood conveyance and flood storage capacity of the land;
- does not include further subdivision,
- is limited to:
  - (a) flood proofed Recreation activities;
  - (b) rural activities where for *Animal husbandry*, *Cropping*, and *Permanent plantation*;
  - (c) flood proofed local *Utility installations*;
  - (d) conservation and natural area management; and
  - (e) replacement of existing lawful development, including *Accommodation* activities where habitable rooms are elevated above the *Defined flood* level

Development in the Low flood hazard areas shown on the Flood hazard overlay maps:

- minimises risk to life and property;
- elevates habitable rooms for all Accommodation activities above the Defined flood level; and
- elevates the minimum floor level for all buildings housing uses other than Accommodation activities above the Defined flood level.

The proposed development complies with the Purpose and Overall Outcomes of the Flood hazard overlay code because;

• The footprint of the proposed development is located in the low flood hazard area.

Note: Where no flood hazard map is available, assessment of potential flooding impacts will take account of the QRA online mapping that shows the likely extent of floodplains in the 'Interim Floodplain Assessment Overlay'. This is consistent with the Queensland Reconstruction Authority (QRA) model code within the document: Planning for stronger, more resilient floodplains guidelines.

# PO 8 Flood storage capacity and the Defined flood area

Development does not directly, indirectly or cumulatively change flood characteristics in a manner that may cause adverse impacts external to the development site.

Note: Where any alteration of patterns of flooding is expected, a flood assessment report will be necessary to demonstrate compliance to the satisfaction of the assessment manager. This flood assessment report should include an assessment of the proposal against these outcomes and may require specific hydraulic and hydrologic investigation to be undertaken by a suitably qualified professional engineer.

 The development has been designed to ensure there will be no reduction in flood storage capacity on site or increase the duration of flooding or the depth and velocity of floodwaters external to the development site.

## Access and parking

#### PO 9 Access

An escape / safety route is identified and maintained for all development within the Defined flood area.

PO 10 Parking and manoeuvring Vehicle parking and service vehicle provision may be provided within the Defined flood area where the vehicles can be removed before flooding occurs. The development has a direct access route passing only through areas of lower hazard ratings.

Should the application be approved, all car parking, access and manoeuvring areas will be conditioned to be constructed of an all-weather surface to ensure access and egress during wet/inclement weather conditions.

## **ENVIRONMENTAL**

## PO 11 Water quality

The environment and so too public safety are not affected by the detrimental impacts of hazardous materials released to the environment during a flood event.

**N/A** – The development does not involve the manufacture, storage and use of hazardous materials.

## SAFETY AND RESILIENCE TO HAZARDS

#### PO 12 Personal safety

Development maintains the safety of people during all floods up to and including a Defined Flood Event.

Note: A Defined flood event (DFE) is identified first in an adopted flood hazard map under the planning scheme or, in the absence of an adopted flood hazard map, flood mapping prepared and maintained by the Queensland Reconstruction Authority or other Queensland Government Agency.

The development has been designed above the Defined flood event level.

PO 13 Temporary or movable structures For development involving temporary or movable residential structures, clear escape from flooding is available, identified and maintained.	<b>N/A</b> – The development is not for a temporary or moveable structure/s.
PO 14 Protection of essential services Essential services infrastructure maintains functionality during and after a Defined flood event.	N/A - The development is not for essential service infrastructure.
Note: Essential services infrastructure includes, but is not limited to, on-site electricity, gas, water supply, sewerage and telecommunications services.	

## 9.3.1 Accommodation activities code

The purpose of the Accommodation activities code is to ensure that *Accommodation activities* are designed, located and operated to achieve an appropriate standard of amenity for residents and to maintain the amenity of surrounding neighbourhoods.

The purpose of the code will be achieved through the following overall outcomes:-

- (a) the type, location, scale, density and setbacks of *Accommodation* activities is consistent with the character and amenity of the applicable zone/s:
- (b) the design of buildings and structures is compatible with surrounding development in terms of built form and scale;
- (c) Accommodation activities are provided with appropriate service areas to undertake daily activities;
- (d) Accommodation activities are provided with appropriate levels of landscaping, private open spaces and/or communal open space;
- (e) Accommodation activities incorporate crime prevention through environmental design principles and promote casual surveillance of the street:

The proposed development complies with the Purpose and Overall Outcomes of the Accommodation activities code because;

- It is consistent with the scale, character and intensity of accommodation activities in the locality;
- it will not compromise the amenity of adjoining properties; and
- it will be provided with appropriate services, facilities and open space to accommodate the use.

## THE ACCOMMODATION ACTIVITIES CODE

#### **DWELLING HOUSE**

#### **PLANNING**

## Use, density and built form

## PO 1 Density and site coverage

The density, scale and built form of the *Dwelling house*:

- (a) does not compromise the predominate scale and character of the locality;
- (b) maintains an acceptable level of amenity for occupants of the *Dwelling house* and adjoining residential premises; and
- (c) integrates with any existing Dwelling house on the same allotment.

The proposed dwelling house will not compromise the scale and character of the locality because;

- It is a small scale, low intensity use;
- Significant setbacks are provided between the proposed dwelling house and surrounding development and road frontages; and
- The proposed dwelling is consistent with the prevailing built character.

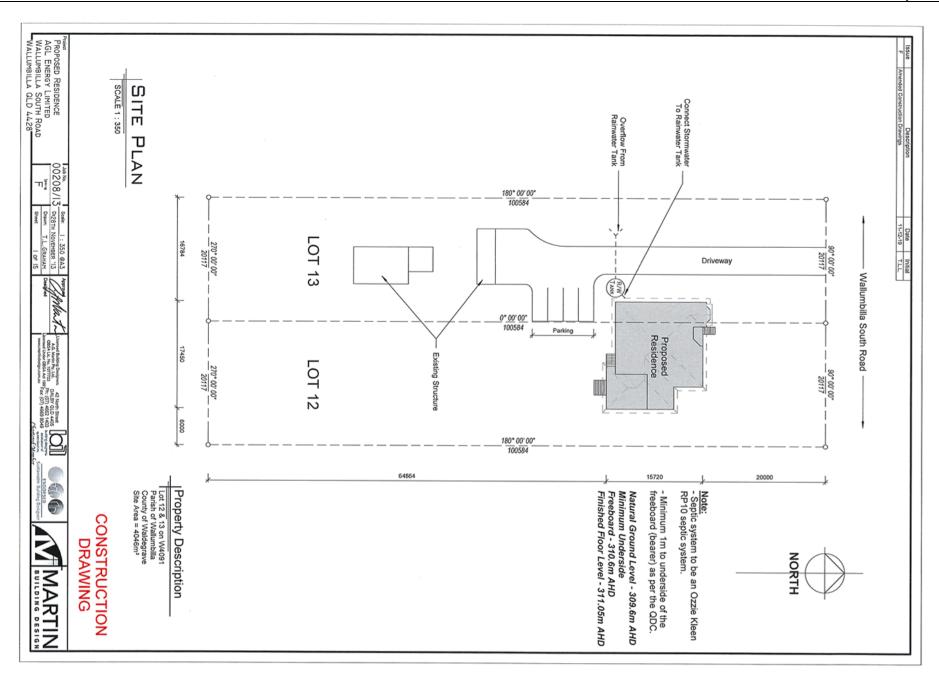

#### **Amenity**

## PO 2 Building appearance

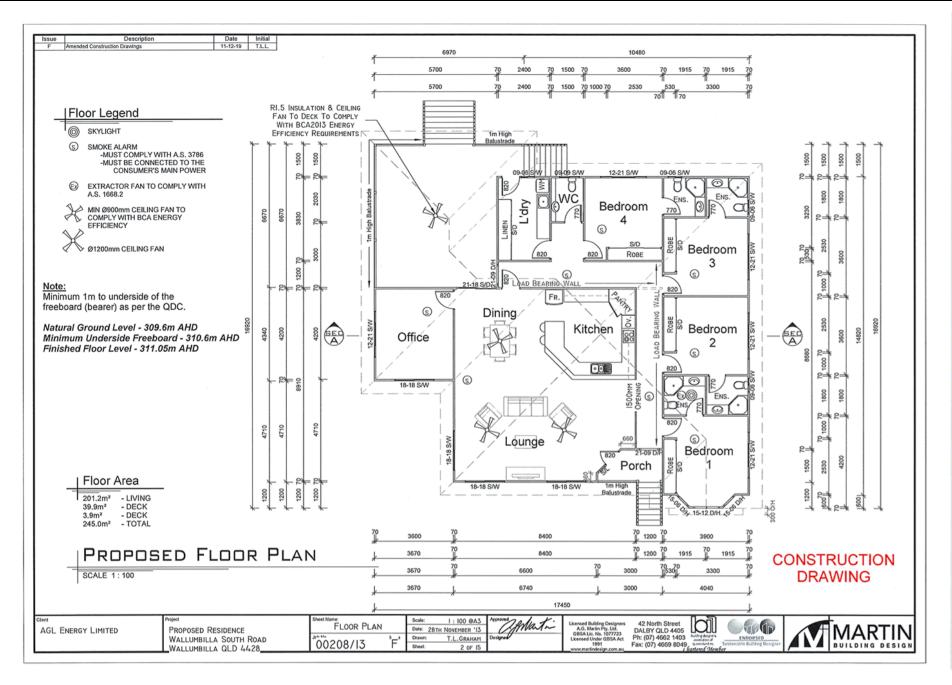

The *Dwelling house* is oriented to the street to:

- (a) provide visual interest and ensure the streetscape is not dominated by garages, bathrooms, toilets and laundries; and
- (b) facilitate casual surveillance of the surrounding neighbourhood.

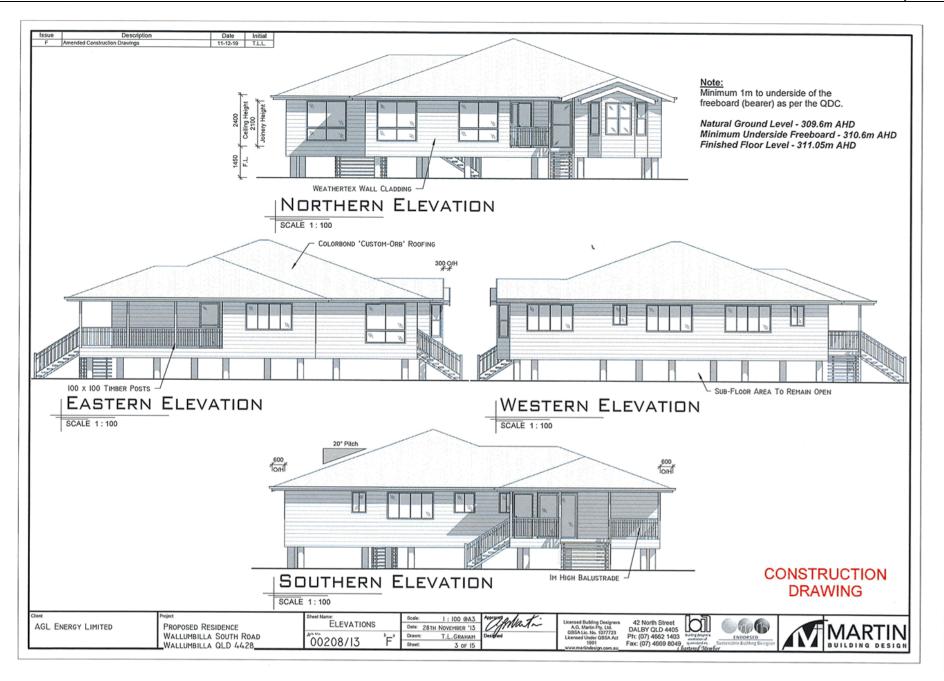

The dwelling will be oriented toward the street.

## **OFFICER REPORT**

Meeting: General 18 March 2020 Date: 11 March 2020

Item Number: 13.3 File Number: D20/21244

**SUBJECT HEADING:** Request from RSL Roma Sub branch for the

indefinite use of council manneguins.

Classification: Open Access

Officer's Title: Regional Economic Development & Events

Attraction Specialist

## **Executive Summary:**

Council has received a verbal request from the RSL Roma sub-branch for the indefinite use of 4 council owned mannequins. These mannequins will be used for a public display of war uniforms in the RSL Hall. Council currently own 12 mannequins located in the storage facility underneath Hibernian Hall.

#### Officer's Recommendation:

That Council

- 1. Approve the request for the indefinite use of 4 council owned mannequins for the war uniform public display project at the RSL Hall.
- 2. Request that the RSL Roma sub-branch acknowledge the contribution from council, on signage, which will be on display in the hall.

#### Individuals or Organisations to which the report applies:

Are there any individuals or organisations who stand to gain a benefit, or suffer a loss, (either directly or indirectly) depending on the outcome of consideration of this matter?

(Note: This is to assist Councillors in identifying if they have a Material Personal Interest or Conflict of Interest in the agenda item - i.e. whether they should participate in the discussion and decision making).

#### Risks:

What could go wrong if Council makes a decision on this matter? (What is the likelihood of it happening and the consequence if it does) (List each identified risk in a table)

Risk	Description of likelihood & consequences
Decline request	The mannequins remain unused in storage and declining the request would be a missed opportunity to support our local history and would be viewed negatively.

#### Advice to Council:

What do you think Council should do, based on your skills, qualifications and experience, your knowledge of this and related matters, and the facts contained in the report?

(A summary of what the employee thinks Council needs to hear, not what they think individual Councillors want to hear – i.e. employees must provide sound and impartial advice – the employee's professional opinion)

The mannequins remain in storage unused. There is no financial impact on council to supply the mannequins, there would be 8 remaining for council use. The display is open to the public and provides an opportunity to attract tourist to the RSL hall. It is an opportunity for council to support a project within our community preserving our local history.

### **Recommendation:**

What is the 'draft decision' based on the advice to Council?

Does the recommendation suggest a decision contrary to an existing Council policy? If so, for what reason?

(Note: recommendations if adopted by Council become a legal decision of government and therefore must be clear and succinct about the action required by employees (unambiguous)).

**SUBJECT HEADING:** Community use of The Big Rig Screen Venue

Classification: Open Access

Officer's Title: Regional Tourism Development Coordinator

## **Executive Summary:**

At its General Meeting on 11 September 2019 Council resolved to develop a Policy for Conditions of Use, and a Venue Use Application form, for Not-for-Profit Community Groups to access The Big Rig screen venue. Council already has an approved Community Halls and Rooms Conditions of Hire Policy and a Casual Hall and Room Hire Agreement that can be adjusted to incorporate The Big Rig screen venue.

#### Officer's Recommendation:

- 1) Add The Big Rig Screen Venue to the existing Casual Hall and Room Hire Agreement
- 2) Utilise the existing Community Halls & Rooms Conditions of Hire
- 3) Set the hire fee at a minimum \$215 for the first 3 hours plus \$70 per hour for every additional hour
- 4) A fully refundable bond of \$250 be paid by hirer prior to hiring the facility
- 5) The new hire fee and bond be added to Council's annual Fees and Charges.

#### General Meeting - 18 March 2020

#### Context:

Why is the matter coming before Council?

#### Resolution No. GM/09.2019/29

## That:

- 1. Council develop an Interim Policy and Conditions of Use for not-forprofit community groups to access The Big Rig Night Show screen venue.
- 2. Council develop a Venue Use Application Form to be completed by the hirer and submitted at The Big Rig and set a venue use payment (fee).
- 3. The draft Interim Policy, Conditions of Use and Application Form be considered at the Policy Development Workshop, with the final policy to be presented at an upcoming Council meeting

## **Background:**

Has anything already happened in relation to this matter?

(Succinct overview of the relevant facts, without interpretation)

In 2019 Council invested in the installation of the new LED screen to improve the visitor experience and enable The Big Rig Night Show Sunset Experience to be introduced. The screen has been a great addition to The Big Rig product offering.

The Big Rig Night Show Sunset Experience will always be the priority. The venue will only be available for hire if not required by The Big Rig for tours or functions.

Broadening the use of this new asset is a rational objective and has the potential to increase revenue at The Big Rig, improving the bottom line of the operation to the benefit of the ratepayers and enhancing the livability of Roma and the broader community.

Due to the specialised nature, and expense, of the new equipment and the existing Night Show set it is imperative that a trained Maranoa Regional Council tourism staff member is in attendance when the screen is being used. The cost of staff is to be covered with the hire fee to ensure there is no negative implications on Council's budget.

The justification for the hire fee is based on the following scenarios. Scenario 1 Friday night after 6pm:

Current tourism staff pay rates range from Level 1.1 - Level 4.4. Council has a minimum engagement of 3 hours at Ordinary time plus 50% overtime.

Scenario 2 Saturday night after 6pm:

Current tourism staff pay rates range from Level 1.1 - Level 4.4. Council has a minimum engagement of 3 hours at Ordinary time plus 100% overtime.

#### General Meeting - 18 March 2020

No other allowances are payable unless if the officers is rostered that day and works continuously or more than 5 hours then a \$25 meal allowance is payable.

The community group hiring the venue will also be required to obtain a copyright license to screen a film, which can be obtained from Roadshow or Amalgamated Movies. The fee varies for each movie. If the community group charges an admission fee the terms are 35% of the door takings or the guarantee fee to be paid to the distributor, whichever is greater.

Legislation, Local Laws, State Policies & Other Regulatory Requirements: What does the legislation and other statutory instruments include about the matter under consideration? (Include an extract of the relevant section's wording of the legislation – please do not just quote the section number as that is of no assistance to Councillors)

Copyright laws govern that community group hiring the venue will be responsible to obtain a copyright license to screen a film on The Big Rig screen.

## **Council Policies or Asset Management Plans:**

## Input into the Report & Recommendation:

Have others' views or input been sourced in developing the report and recommendation to Council? (i.e. other than the report author?) What did each say? (Please include consultation with the funding body, any dates of critical importance or updates or approvals required)

Ollie Dowd, Human Resources & Training Advisor Ed Sims, Manager Economic and Community Development Manager Leesa Chandler, Project Officer (Facilities Planning & Delivery) Madonna Mole, Facility Lease Management & Housing Officer/Team Coordinator

#### Funding Bodies:

Is the project externally funded (or proposed to be)? If so, are there any implications in relation to the funding agreement or grant application. (Please do not just include names)

#### This Financial Year's Budget:

Will the matter under consideration impact how much Council collects in income or how much it will spend? How much (\$)? Is this already included in the budget? (Include the account number and description).

If the matter under consideration has not been included in the budget, where can the funds be transferred from? (Include the account number and description) What will not be done as a result?

Hire of the screen does require extra tourism staff hours. The cost of these additional hours is covered in the hire fee.

## **Future Years' Budgets:**

#### General Meeting - 18 March 2020

Will there need to be a change in future years' budgets to cater for a change in income or increased expenditure as a result of Council's decision? How much (\$)? (e.g. estimate of additional maintenance or operating costs for a new or upgraded project)

Hire of the screen does require extra tourism staff hours. The cost of these additional hours is covered in the hire fee.

## Impact on Other Individuals or Interested Parties:

Is there anyone who is likely to be particularly interested in or impacted by the decision, or affected by the recommendation if adopted? What would be their key interests or concerns? (Interested Parties Analysis - IS9001:2015)

nil

### Risks:

What could go wrong if Council makes a decision on this matter? (What is the likelihood of it happening and the consequence if it does) (List each identified risk in a table)

Risk	Description of likelihood & consequences
The Night Show set or equipment could be damaged by hirer	The likelihood is low as trained tourism staff will be present to operate the equipment and supervise the set. A bond is also paid to cover the cost of cleaning or minor damage if required.

#### Advice to Council:

What do you think Council should do, based on your skills, qualifications and experience, your knowledge of this and related matters, and the facts contained in the report?

(A summary of what the employee thinks Council needs to hear, not what they think individual Councillors want to hear – i.e. employees must provide sound and impartial advice – the employee's professional opinion)

To ensure Council is well prepared if/when an enquiry is made by a community group to hire the screen it is necessary to have an effective process in place. Therefore I recommend Council add The Big Rig Screen Venue to the existing Casual Hall and Room Hire Agreement and utilise the existing Community Halls & Rooms Conditions of Hire. Establishing the hire fee of a minimum \$215 for first 3 hours plus \$70 per hour for every additional hour with fully refundable bond of \$250 be paid by hirer prior to hiring the facility, will ensure there is not a negative impact on Council's budget.

#### Recommendation:

What is the 'draft decision' based on the advice to Council?

Does the recommendation suggest a decision contrary to an existing Council policy? If so, for what reason?

(Note: recommendations if adopted by Council become a legal decision of government and therefore must be clear and succinct about the action required by employees (unambiguous)).

#### COMMUNITY HALLS & ROOMS CONDITIONS OF HIRE

 Agreement - Hiring of the hall/room is subject to Council receiving a completed Casual Hall & Room Hire Agreement form signed by the proposed hirer undertaking to comply with the conditions outlined herein. The Hirer must be at least 18 years of age – proof of age may be required.

Only the specific room(s) booked may be used and only for the day(s) and time period detailed on the Agreement. Any time required for setting up the venue or for cleaning up at the end of the event must be included in the period booked. The venue must be vacated by the time stated on the Agreement.

Assignment - Hirers that are granted permission to use a venue shall not assign the right of use to any person, organisation or body.

#### 3. Permission to Occupy

- (a) The hirer shall only be entitled to the use of the particular part or parts of the building hired on the date set out in the Casual Hall Hire & Room Agreement and Council reserves the right to permit any other portion of the building to be hired for any other purpose at the same time.
- (b) The right conferred on the hirer shall be a permission to occupy and shall not be construed as a tenancy. Nothing contained in these conditions shall confer on a regular hirer the right to exclusive possession and Council may at its discretion allow other individuals and groups to have casual use of the premises.
- Hire Fees Hire Fees shall be in accordance with the current Maranoa Regional Council Fees and Charges Schedule.
- 5. Security Bond The Fees and Charges Schedule details the amount of the security bond applicable to the venue and hirer. Where applicable, a bond is required to be paid by the hirer as security against damage to the building or any fittings and furniture contained therein, and for any cleaning arranged by the Council resulting from the hirer's use of the premises. The hirer shall be liable to pay any further amount in excess of such bond to meet the full cost of such damage or cleaning.
- 6. Refusal to Grant Hire At the discretion of the Chief Executive Officer, or delegated Council officer, permission to hire the venue maybe refused. If an agreement has been signed and the fees and bond paid, the Chief Executive Officer, or delegated Council Officer, will direct the return of the fees and bond paid. The hirer hereby agrees in such case to accept the same and to have no claim at law or in equity for any loss or damage sustained as a result.
- 7. Booking Confirmation A booking is not confirmed until payment of the applicable fees and charges have been received and receipted by Council or a purchase order presented. This provision shall not apply to those Hire Categories determined by Council as being exempt from the payment of fees and charges.
- 8. Cancellation of booking Failure to notify Council in writing of a cancellation or amendment of a booking at least seven (7) days prior to the booked date may result in a forfeiture of hire fees. In the event of extenuating circumstances Council will consider a refund of hire fees on receipt of a written request.

- Opening and Closing the Venue Hirers will be responsible to open and close the venue unless otherwise agreed.
- 10. Key Collection Unless alternative arrangements for the collection of keys have been agreed to by Council, hirers can collect keys during Council business hours from the Customer Service Centre located closest to the venue prior to their function. Persons collecting keys will be required to complete Council's Key Register.

Key Return – Hirers are required to return the keys to the Customer Services Centre from which the keys were issued after the event or the following working day whichever is practicable, unless an alternative prior arrangement has been made with Council. Persons returning keys will be required to complete Council's Key Register.

- 11. Sound, Electrical & Lighting Equipment There must be no connection of or interference with the electrical installation, lighting, spotlights or any other electrical property without authorisation by the Chief Executive Officer, or delegated Council Officer. This includes all specialty equipment, such as sound, DVD and projectors.
- 12. Decoration & Signage -No notice, sign, advertisement, scenery, fittings or decoration of any kind shall be erected on or in the venue or attached or affixed to the wall, doors or any other portion of the venue, fittings or furniture, without prior consent of the Chief Executive Officer or delegated officer.

The hirer shall not cause any nails, tacks, adhesives, or other articles to be driven into the floor, walls or ceilings. The hirer shall immediately after the function remove all decorations from the venue to the satisfaction of Council.

- 13. Subject of Entertainment Council may require the hirer to submit for approval, the subject and program for any entertainment or lecture prior to the use of the premises.
- 14. Performing Rights In the case of a dramatic or other performance or concert, the hirer shall not produce, or permit to be produced or performed, any dramatic or musical work in infringement of the copyright or performing right of any owner of such right or rights, and the hirer agrees to indemnify the Maranoa Regional Council against any claim for breach of copyright or any other action herewith.
- 15. Licensed Functions A licensed function is defined as a function where alcohol is offered for sale. The sale of liquor at the venue is forbidden unless the hirer obtains a permit from the appropriate authority. The hirer is responsible for ensuring compliance with all liquor licensing requirements.
- 16. Gambling No game of chance, at which either directly or indirectly money is passed as a prize, shall take place in any part of the venue, with the exception that this provision shall not prevent the hirer using the venue for games of bingo or equivalent, providing that the relevant permits have been obtained.
- 17. No Smoking In accordance with legislation, smoking inside all areas of the venue is prohibited. Areas designated for smoking are located outside the venue and are identified with appropriate signage.

## COMMUNITY HALLS & ROOMS CONDITIONS OF HIRE

- 18. Obstructions The hirer shall comply in every respect with legislation, Codes or Australian Standards with regard to public buildings for the prevention of overcrowding and obstruction of gangways, passages, corridors, or of any part of the building. Any person causing an offence against such regulations shall be removed from the building.
- 19. Acts and Regulations The hirer shall conform to the requirements of the Health Act, Local Government Act, any Local Law or Regulation made thereunder, and shall be liable for any breach of such Acts, Local Law or Regulation. All other statutory rules, provision and regulations of the Commonwealth of Australia or State of Queensland for the time being in force must be complied with by the user and the notices give to the proper officers.
- 20. Good Order & Conduct -The hirer shall be responsible for the full observance of these conditions and for the maintenance and preservation of good order in the venue throughout the whole duration of the period of use.
  - (a) No spitting, obscene or insulting language or disorderly behaviour or damage to property shall be permitted in any part of the venue.
  - (b) The hirer shall be responsible for the conduct of each and every person in attendance at the function and for the maintenance and preservation of goodwill generally. Should it become necessary for the hirer to leave the venue during the function he/she must nominate a responsible person to act on his/her behalf.
  - (c) Children must be supervised at all times by a responsible adult.
- 21.Security -The Chief Executive Officer may direct that security be organised to ensure crowd control.
- 22. Vacating the Venue -Where practicable, the hirer shall immediately after the function vacate the venue or in the event of an evening function ensure that the venue is vacated by 7.00 am the following day, unless otherwise agreed by Council. If the venue is not vacated by the nominated time, Council can elect to retain all or part of the bond held. Every consideration must be given by people using and vacating the venue to the residents who live nearby in regards to minimising noise and unruly behaviour.
- 23. Cleanliness -The hirer is responsible for leaving the venue in a clean and tidy state, and shall immediately remove all rubbish, refuse and waste matter from the venue. Removal of garbage is included in the hiring fee, provided that garbage is left in the bins provided ready for collection. No loose garbage or litter is to be left in the venue. Any cost incurred by Council in cleaning the premises resulting from the condition in which the hirer left the premises shall be recoverable from the hirer.
- 24. Insurance Casual Hire Liability Insurance Cover Where a hirer is eligible and elects to access Casual Hire Liability Insurance Cover, the hirer must complete and provide a Council Casual Hirer of Council Facilities Liability Insurance Acknowledgement & Declaration Form.

Hirer's Liability Cover – Where a hirer has existing liability insurance cover and is able to access such coverage for the purpose of the function, the hirer shall provide Council with a copy of the Certificate of Currency confirming liability insurance cover status.

- 25. Damages
  - (a) Any damage caused to the venue and equipment arising out of, and in the course of, the function will be restored by Council and the cost of such repairs or replacements will be charged to the hirer. Council retains the right to determine the cost of any damage or cleaning required and to retain this amount from the bond if held. Where damage exceeds the amount of the bond, the hirer will be charged the balance.
  - (b) Council is not liable or responsible for the loss, theft or damage to any property belonging to either the hirer or any person attending the function.
- 26. Free Access Any officer, employee or representative of Council whom the Chief Executive Officer may appoint shall at all times be entitled to free access to any and every part of the venue.
- 27. Indemnity The hirer agrees to indemnify, and keep indemnified, and to hold harmless Council, its servants and agents, and each of them from and against all actions, costs, charges, expenses and damages whatsoever which may be brought, or made, or claimed against them, or any of them, arising out of, or in relation to the hiring arrangement.
- 28. Failure to Comply If the hirer commits, permits or allows any breach or default in the performance and observance of any terms and conditions herein, the Chief Executive Officer or delegated officer, may terminate permission to use the premises and the hirer and patrons shall immediately vacate the premises. Council shall have the right to recover any amount due in respect of any such breach and/or cancel any future bookings.
- 29. Disputes In the event of any dispute or difference arising as to the interpretation of these terms and conditions or any matter contained therein the decision of the Chief Executive Officer thereon shall be final and conclusive.

I HAVE READ THE CONDITIONS OF HIRE AND UNDERSTAND THE ABOVE GUIDELINES, ACKNOWLEDGING THAT I CAN ONLY USE THE FACILITY FOR THE STATED PURPOSE AND TIMES SPECIFIED IN THE HIRE AGREEMENT.
