**COUNCILLOR NOTICE OF MOTION**

**Meeting:** Ordinary 14 August 2025

**Date:** 12 August 2025

**Item Number:** L.1

**File Number:** D25/80290

**SUBJECT HEADING:** Wallumbilla Cemetery Project

**Classification:** Open Access

**Councillor's Title:** Cr Johanne (Joh) Hancock

---

**Executive Summary:**

The volunteer members of Wallumbilla Town Improvement group who look after the Wallumbilla Cemetery have requested Council's assistance for a Cemetery project.

**Councillor's Recommendation:**

That Council work with the volunteers of the Wallumbilla Town Improvement Group who look after the Wallumbilla Cemetery to develop a plan for the project and options for funding the project, (including in kind assistance).

---

**Background:**

Volunteers have advised that it has been challenging for them to maintain the grass and weeds in between the graves as a mower doesn't fit, and it is a big job to spray and makes the cemetery look unsightly.

The volunteers met with me and pitched a project where they would like to use a combination of cement & aggregate to fill between graves. They feel that this project would save money and time in the future.

They would like to trial one section of the Cemetery to start with and if it is a success then roll it out in other sections of the Cemetery.
